Cancellations must be made within 30 days of scheduled event for a deposit refund. If client cancels services within 15 days of the scheduled event then 60% of the full amount will be charged to client and due by agreed event date.

## Services

In the unlikely event that I, Krystal McKinley, or the makeup artist scheduled with you is unavailable another artist may be substituted. Krystal Rose Artistry works with a team of professional makeup artists that I, Krystal McKinley, have worked and trained with. I trust these artists as an extension of myself and ensure that you will receive the same specialized service just for you. Also, I do about 35 weddings a year and have never had to substitute another artist for myself in over 10 years but like to be as transparent as possible :)

## Agreement

By signing this contract, you understand that the deposit is non-refundable after deadline of 30 days before scheduled event. The bride acknowledges responsibility for payment in FULL for the total number of people receiving services as indicated above.

I have read and understand the policies above. Extra fees if discussed and applicable will be added to final bill. I will abide by this contract.
