

Hello there! My name is Vanessa and I am the designer of our ceramic coasters and gifts. I want you to know that I'm here to help you every step of the way.

I offer personalization on the majority of our products, I can also help by combining a selection of goodies and creating custom gift boxes. To make your gift-giving experience even more unique and special!

When it comes to Weddings and Events, I'm open to your suggestions and happy to share ideas. Customization is something we love to do. We can truly create something beautiful together.
