

CAL-A-VIE WEDDINGS

Celebrate the unforgettable experience of marriage at Cal-a-Vie Health Spa amid 450 private and sun-drenched acres surrounded by citrus groves, vineyards and rolling hills of fragrant lavender evoking an ambiance that is distinctly romantic. This haven offers 32 elegantly designed villas with a 5:1 staff-to-guest ratio, ensuring every element of the big day is completely taken care of.

A 17th century candle-lit Chapel and magnificent L'Orangerie reception hall, both imported from Dijon, France and reconstructed stone by stone, are situated on a hill top with breathtaking views of the property. The Chapel's stained glass windows and high wood beam ceiling create a sanctuary for guests and an intimate ambiance for wedding ceremonies. L'Orangerie is accented with timeless décor and detailed with old world chandeliers glowing from lofty ceilings, a 16th century rustic stone fireplace, antique walnut bar with zinc top and an 8,000 square-foot terrace overlooking the grounds. These are the oldest buildings in San Diego County and reflect the history and ambiance of a French Provencal village, creating an unforgettable wedding and reception experience.

A destination wedding at Cal-a-Vie Health Spa ensures ultimate privacy and includes a complete buy-out of the property, giving guests exclusive use of award-winning wellness programs, fitness classes, luxurious spa treatments and nutritious gourmet cuisine.
