“ They went above and beyond to accommodate our creative requests when it came to music selection, featuring key friends and family members in our highlight reel and featurette, and best of all they are very fairly priced! We went with the Gold Package which was plenty of coverage and take-away video for us to love for the rest of our lives.

Let's set up a call or meet for coffee. We'll chat about your story, your wedding so we can make sure we're the perfect fit.

## 02 | PAYMENTS STRUCTURE

We know this is a big investment so we break the payment in 3 parts. \$600 with the contract, \$900 the day of the wedding and the remaining balance three months **AFTER** your wedding,.

## 03 | BOOKING

The contract and deposit secure your spot on our calendar. Once the contract is signed and the \$600 retainer has been paid, you can cross *Finding A Videographer* off your checklist.

## 04 | THE WEDDING
