Brianna loves being behind the scenes and coordinating any event, but she especially loves being a part of such a momentous day in a couple's life and providing a stress-free environment for them. ## HELI

### Coordinator

A Boulder native, Heli (pronounced "hee-lee") got her start in event production on NBC's Emmy Award winning hit show "The Voice", where she was the Production Coordinator for Seasons 1-5. # What people are saying

Kinsey and her team were unbelievably amazing. They helped us create an absolutely stunning wedding weekend. Kinsey was extremely professional and caring, she was on top of every thread of communication with us, our vendors and provided guidance, advice and gentle reminders. Each time I saw an email pop up from her, I said "Im so grateful to have Kinsey behind the scenes." Another huge praise is her design skills, she really listened to us and cared about the attention to detail to create our vision, even when we didnt have a vision on some areas. She really created an elegant yet personal weekend. We are deeply grateful for her and her team. HIRE HER. I might even create other gatherings just to continue working with her ;)

RARE made our wedding stress free and added to what was an incredible day! Brianna was professional, timely, and helped us with the planning and day of coordination of our wedding. My wife and I were able to enjoy the day fully due to her and her crew's efforts before, during, and after the wedding. I could not have asked for a better coordinator! We have received countless comments from guests on how much they enjoyed the wedding and how smoothly everything went that day and Brianna helped make that happen.

**-ANNA + MARIO 6.10.23**

We hired Right as Rayne Events for their day of coordinator services and it was without a doubt the best money we spent on the wedding. Brittany (or coordinator) and her assistant were amazing. She was professional and responsive. We never had to worry about anything. Our day would not have gone as smoothly or effortlessly without them. I cannot recommend enough hiring this team.

**-KAITLYN + STEPHAN 7.15.23**

Quincy and her team were PHENOMENAL. I cannot thank Right as Rayne enough for the help and support for our wedding. I did quite a lot of decor on my own, which in turn required a lot of set up and tear down from Quincy and her team.... they were awesome! The support leading up to and during our wedding was incredible. I felt like I had a guardian angel on my shoulder for every single moment. I highly recommend Quincy and Right as Rayne for any big day!

**-MEGHAN + CJ 5.20.23**

"Kinsey and her team at Right as Rayne Events were incredible!! We went into wedding planning not knowing anything and having totally naïve expectations. Kinsey guided us every step of the way and we could not have pulled off our big day without her and her wealth of knowledge. She helped us with every vendor decision and always made sure to give us options to keep our wedding on budget. Our intended day of coordinator was sick day of, and we didn't miss a beat - RARE handled that hiccup so smoothly and we were never stressed about it. Thank you Kinsey for making our day so so special!!! Again, we could not have done this without Kinsey and her team."

**-ALEX & ZAC 6.18.22**

"If you're trying to decide whether or not to hire a planner: do it, and choose Right as Rayne. Quincy and Kinsey led us through the entire planning process from start to finish, and our wedding went off without a hitch. We appreciated their thoughtfulness, attention to detail, and simply who they are as people. We couldn't recommend them any more highly!"
