

# Big Wedding Plans

## Full Wedding Planning

Wedding planning is much more involved than wedding coordination. Planning dives into the little details like linens, chairs, chargers, wedding favors.

With wedding planning, I will be able to take your Pinterest mood board and make it a reality.

This package includes:

- Everything included in the Full Wedding Coordination Package
- Design concepts
- Assistance with booking vendors
- 2 in person or online design and coordination consultations per month starting at 12 months from your wedding day.

Starting at \$2,550

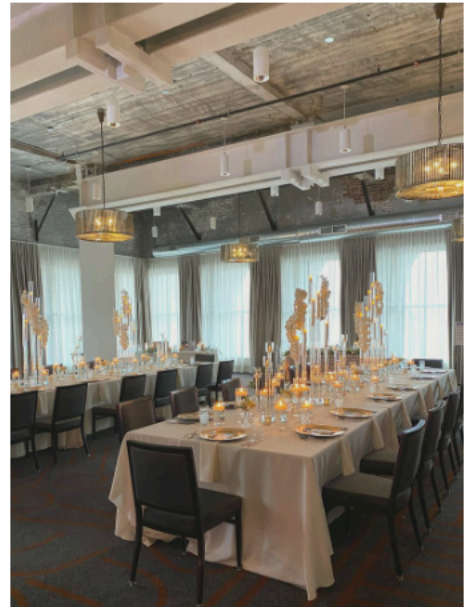

## Full Wedding Coordination

This package suits couples who are looking for a little more step by step direction for their Big Day. From the moment you book with me, I will assist you in coordination along the way.

This package includes:

- Everything included in the Day of Wedding Coordination Package
- Recommendations and research for wedding vendors
- 1 in person or online consultation per month starting at 12 months from your wedding day

Starting at \$1,850

## Day of Wedding Coordination

This package is perfect for the couple that has most of their vendors booked but needs help organizing and sorting out details for their Big Day.
