HELLO

## I'M STEPHANIE SEVIER

I am so glad you're here! I have been in love with video ever since I was a child. Video is a very special way to eternalize moments. I started my wedding vendor career as a photographer, but I quickly realized that

many couples regret not having prioritized wedding videography. Sevier Media was created to capture your memories and help you relive the day you said "I do". I think you deserve to have your big day in motion forever!

# WHAT TO EXPECT

The Sevier Media Process:

## I.

### CONNECT & BOOK

*Let's schedule a phone call or meet for coffee. We'll chat about your plans, and be sure we're the perfect fit. You'll choose your package, sign a contract, and send your 25% retainer to officially book your day.*

## II.

### TIMELINE & PLANNING

*I'm your teammate (and let's be real, I'll be your friend, too). I'm here for you. We'll work together to create the perfect wedding day timeline. Working with a planner? Great! Your film will be even better when a team is working together.*

## III.

### THE WEDDING

*You will receive a questionnaire a month prior to your wedding. The questionnaire will help me picture what the day will look like and what details/moments are the most important to you. On your wedding day, we will have the best day ever!*

## IV.

### DELIVERY

*You will receive your wedding film and get to enjoy it with your spouse. You'll be able to show it your family, friends and children one day!*

# FAQ

*With any investment, you likely have questions. I'm here for you!*

## WHEN SHOULD WE BOOK YOU?

Most couples book 6-12 months out. If you're interested in having Sevier Media as your wedding videographer, I suggest booking as soon as possible so you can secure your date.

## CAN WE CHOOSE OUR OWN MUSIC?

Selecting songs is a very special part of creating wedding films. The song choices will add personality and emotion to your film and it is one of my favorite parts of the process. If you wish to be a part of the song selection, you are more than welcome to provide your favorite genre preferences and songs for inspiration. The songs that will be a part of your wedding film will be legally licensed and we pay for these licenses through various sources for filmmakers.

## WHEN WILL WE RECEIVE OUR WEDDING VIDEO?

Teaser videos are delivered within 7 days of the wedding. Industry standards for wedding highlight films are 4-6 months, but I will do my best to finalize your video within 10 weeks. The process of culling videos, selecting music, editing clips, color correcting

and mixing the audio is a work of art that will result in a beautiful wedding video. It will be worth the wait!

## WE ARE PLANNING A DESTINATION WEDDING. DO YOU TRAVEL?

Absolutely! I would love to hear more about your plans.

## DO YOU HAVE RECOMMENDATIONS FOR OTHER WEDDING PROFESSIONALS?

I sure do! Throughout the years I've had the pleasure of working with many wonderful wedding professionals. I will only recommend professionals that I trust and that I have personally worked with.

## I ONLY WANT A CEREMONY VIDEO (FROM START TO FINISH, NO HIGHLIGHT VIDEO). CAN WE DO THAT INSTEAD?

Our focus is wedding highlight reels and video teasers. While we will record part of your ceremony for your highlight reel, we do not offer ceremony only video services. A full ceremony video can be added to packages for an additional charge.

“(...) Working with you was so incredibly fun, and your husband was such a pleasure to work with as well. I genuinely couldn’t recommend you all enough from your professionalism to how kind hearted and helpful you are. You truly are wonderful and I mean that from the bottom of my heart.”

- ANNA G.
