

What kind of wedding packages do you have?

We don't offer any set packages, we customize our pricing to best fit the needs of each individual client.

- Full-Service Planning starts at \$2850.00
- Partial Planning starts at \$1850.00
- Wedding Management starts at \$1000.00
- Ceremony Management & Micro Weddings start at \$850.00

How do I know which option is best for me?

Full-service planning covers pretty much everything involved in the wedding planning process.

- Finding the right venue
- Hiring and managing all the vendors
- Managing all the rentals (tents, tables, chairs, lighting, etc).
- Budget management
- Managing any permitting or event insurance needs
- Development and distribution of the final timeline
- Managing and coordinating rehearsal dinner, after-party, brunch, etc.
- Coordinating transportation and lodging
- Vendor meetings, tastings, site visits
- Full wedding weekend management

Partial planning & management is for the clients who are excited to plan their own wedding but need some professional assistance with all the details and would prefer not to deal with all the logistics on the wedding day.

- Assistance with rentals and venue management
- Assistance with vendors and contract reviews
- Development and distribution of the final timeline
- Limited vendor meetings, tastings, and site visits
- Rehearsal and full wedding day management

Wedding Management & Micro Weddings are for smaller groups who are planning on an intimate wedding for less than 50 guests.

- Help with ceremony rentals
- Vendor recommendations
- Dinner reservations, onsite catering, or private dinners
- Event management up to 4 hrs on the day of the wedding
