FREQUENTLY ASKED QUESTIONS

Q: Are there any additional fees?

A: Bartenders are not included in any of our packages and must be paid for the day of your wedding via cash, check, or venmo, directly to the staff. We take care of hiring the bartenders, you simply just have to pay them. The only additional cost is a \$250 fee for setting up & tearing down all the tables and chairs.

Q: Can we bring in outside alcohol?

A: We have a 4 case wine minimum of Spicewood Vineyards wines. There are no additional wines allowed to be brought in. Liquor is not allowed. Beer is permitted.

Q: Can we use any vendors we would like?

A: You are welcome to bring in any outside vendors you would like. We do require a sign off on your caterer and that they offer full service support during your special day. Additionally, we have a preferred vendor list to help you hire the best of the best that we love to work with!

A: Yes! If you would like your furry family members included in your special day, we won't stop you!:)
