SISSI HAIR AND MAKEUP

COVID-19 PROTOCOLS

WHAT WE ARE DOING TO PROTECT US ALL

A face mask is recommend at all times to all people , artists , guest & clients.

Our team artist is Monitoring state and local public health communications about COVID-19 We are updated on the latest information from the OSHA, CDC and local and state authorities.

We are Covid-19 Barbicide Certified and follow proper sanitation, disinfection and sterilization procedures using professional grade bactericidal and fungicidal products on all tools.

Any Sick clients, guests, people or artists need to report any covid-19 symptoms to us, stay home, and follow CDC guidance or cancel services.

Those at Greatest Risk will not be provided with any beauty services. Clients at greatest risk include: Over age 65 with health problems.

Complete and send an important waiver 48 hours before any appointment all new or existing clients need to complete a Forms (Waiver and a Release of Liability Agreement related to Covid-19).

Temporary clients shall provide the artist with a working space that has been properly cleaned with an approved cleaner / before artist arrives and set-up. Clients must provide the artists working stations placed at a minimum of 6'inch apart on your location for each artist.

Room capacity should be meet at least less than 25% room capacity.

Artist will present prepared and sanitized kit overhauling the hygiene practices to be extra, extra. While I've always strived to maintain customary hygienic makeup application practices, extra safety measures will be adopted with an even greater emphasis on deep cleaning and extra measures as outlined below.

Sanitization Tools including brushes, tweezers, scissors, etc. always receive go through a deep clean and sanitization process between jobs. All brushes and tools used on clients will be cleaned with a standard brush cleaner, then again with 70% and 99% alcohol to ensure they are sanitary before being used on another client. Using all disposable makeup applicators, we would ensure that No double dipping happens.

Packaging and Equipment all packaging and equipment that can be classified as "hard-surfaces" will be cleaned using an approved hard disinfectant cleaner between each job location. This will prevent the spread between locations and homes. We will be using disposable paper towels and we will ask that any trash or recycling created during your appointment be disposed of in your location.

Re- schedule or canceling services Any wedding or bookings that gets canceled that cannot happen due to a pandemic restrictions or lockdowns by the government that does not allow the clients wedding to take place, the client will be able to reschedule their wedding day contract (1) time without any penalties , contingent on our availability, and the original contract and deposit payment will be transferred to a new wedding date , there are no additional fee's if the client books a new date one year from her current wedding date. Otherwise ,there may be a rescheduling fee. Please advise us via email about any wedding date changes at least 90 days in advance or as soon as you change your date Sissi hair and makeup Inc. and team artist will not be able to provide you with any services if per the State of Florida there is a mandatory lockdown order made by the State of Florida for Beauty companies. These special provisions amendments are in addition to our standard policies in our contract.
