### -----EXTRAS AND ADD-ONS-----

### SUPER 8 FILM -----\$800

Pick this add on to give your wedding film that nostalgic mood and look! I will film throughout your wedding day and mix super 8 footage with your wedding film. I will use 1 cartridge of film that records 2.5 minutes and you will receive a separate video of just the Super 8 Film!

### RAW FOOTAGE -----\$300

If you would like to have all your clips that were captured at your wedding, I can sort and file all the shots onto a hard drive so you can see a of the extra footage from the day

### ADDITIONAL COVERAGE -----\$200 per hour

The Highlight and Extended Packages include 8 hours of coverage, but sometimes you need more!

### SECOND SHOOTER -----\$700

If you are having a large wedding, a second shooter is strongly recommended for extra shots + angles + reactions

### ADDITIONAL FILM LENGTH

If you want a longer film than 4-6 minutes, this upgrade lengthens your film - Custom quoted
