HOW TO BOOK

Option 1: Secure your event date with us first. All we ask is for a deposit of 400 and a signed bridal contract.

This allows you to have a trial closer to your event date.

Option 2: Have your trial first. You would have a trial within the month and then have up to two days after to secure your event date with a 400 deposit. This first requires a deposit of 100 to secure your trial appointment.
