

### Silver Package

#### **Month of Coordination- Starting at \$1650**

For the creative, detailed, organized couple that have time to invest into planning their perfect day. They just need a team to come in and finish the details and execute to perfection. We would love to assist you in ensuring you get to have the celebration of your life! Our day-of-coordination service includes preparation and execution.

Month of Coordination services include but are not limited:

- Provide you with our wedding planning tools for budgeting, planning timeline checklist and preferred vendors list
- Final planning meeting and walk thru of venue spaces approximately 30 days prior to event
- Contacting all vendors to confirm details and coordinate logistics of the day.
- Creation of a detailed cohesive timeline and floor plan so that all vendors will be working from the same information.
- Coordination of ceremony rehearsal
- Day of coordination team (at least 2 coordinators) for 12 hours the day of your event- to manage timeline, set up, vendors, bridal party, guests, ceremony, cocktail hour, reception and breakdown. Troubleshoot any issues that arise.

A coordination team is essential to creating a smooth stress free day. We highly recommend this service so you and your family do not end up worrying about the details of your big day. Leave the details and timing up to us. Relax, breathe and take it all in!

### Gold Package

#### **Month of Coordination + Partial Planning & Design Starting at \$3250**

For the couple that have a vision of what they want, but may not have the time, expertise and resources to pull it all together. Our expert designer will curate a beautiful computer design palette so that you can see what your ideas will look like in the venue that you have chosen. Our planner will assist with all the details to execute the designs to perfection.

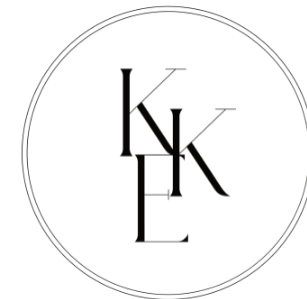

- you receive all that is included in the **Silver package** plus
- 30 additional hours of partial planning and design. You, your planner, designer and day of coordinator work together as a team. You control what tasks you want to take care of and decide what you would like your team to handle. Customized to fit your specific needs. Planners and designers can assist with budget analysis, vendor research, design boards, sourcing décor items and much much more.

### Platinum Package

#### **Full Service Planning and Design- Starting at \$6450**

We are especially proud of our full service wedding planning and design services, as it allows you to truly enjoy the day of your dreams. We hold your hand every step of the way through the planning and execution of the best day ever! You are still in control of all decision making. You get to make all the decisions that are important to you, but we do all of the leg work and execution. This package is for the bride that wants a completely stress free experience so that you and your family can relax and soak in every moment.

- **Gold Package** plus
- Unlimited hours of planning and design.
- We will hold your hand and walk you through every step of the way. Ensuring every detail has been perfectly planned
