Signature Cocktail Tasting for two

\$100

Come sit down with one of our amazing bartenders and we will help you create a signature cocktail to be served at your event. This includes up to four choices of cocktails to try at you tasting.

Additional Bartender

\$200

Required for events over 75 guests and for the cocktail packages with greater than 150 guests.
Serving time of four hours.

Additional Hours of Service

\$120 /hour

Four hours is the normal time period for alcohol serving at a wedding and that is what's included with all of our packages.

We can serve for longer if desired, but we run the risk of people consuming more alcohol and getting tipsy with an open bar.

If you would like to add additional hours, we can accommodate you if booked in advance.

If you request to extend the serving time at the event, it is \$200 per hour if we are able to accommodate (travel time and availability of the bartending staff)

Secondary Bar Location

\$300

Includes a stand-alone custom live edge bar at another location during the event with beverage cooling, chilling buckets, bar tool kit, signage, and management of the additional bar.

Beverage Station with choice of two items:

Iced tea, lemonade, or infused water stations.

\$2 /person

Per-person price, includes cups, garnishes and ice.

Soda Station

\$2 /person

Includes your choice of three varieties of canned soda or sparkling water selections.

Kept chilled in a galvanized bucket with ice.

This is a self-service station that will be iced & monitored by bartenders.

You may also bring your own non-alcoholic options and we will ice and serve them from the bar.
