

Wedding Dance Packages

Just Our First Dance

\$270/couple for 3*

\$450/couple for 5*

We recommend three – five lessons starting 6-8 weeks prior to your wedding with a final run through a few days before. Your routine can be choreographed to the song of your choice.

Dancing All Night Long

\$330/couple*

In this package, you'll get a combination of group lessons and private lessons. Group classes are run weekly and teach routines to six different styles of dance in which will help you feel confident no matter what the DJ is playing. You'll follow that up with three private lessons that will personalize the routines you have learned in the group classes and teach you some further techniques. Includes two passes to two of our Beginning Social dance classes and three private lessons. You must register on our app for the group classes to get this rate.

The Stars are on the Floor

\$600/couple*

This package includes personalized choreography for your first dance, two passes to any two of our Beginning Social Dance classes and 6 private lessons. This package will take you beyond your own wedding and having you dancing throughout the evening at your friends' weddings!

Additional lessons can be added to any package at \$90 per 45-minute session

All package pricing includes choreography to the song of your choice

Packages can be purchased on the store section of our website or at the studio.

Each package expires 6 months after purchase.

***Couple means any two persons getting married or parent/adult child for their song.**
