

# Gold Dust Galas Packages

## Full Planning Package.....Starting at \$3,800

*No idea what you're doing or where to start? Haven't got a clue how you're going to fit planning into your already-overfilled schedule? This option is perfect for you! I'll take the lead on planning and think of every detail - big or small - so you don't have to!*

## Partial Planning Package.....Starting at \$2,000

*You're well on your way through organizing your perfect day, but it would be really helpful to have a professional's help navigating through some tough spots. Whether it's researching and comparing vendors, managing your budget, or having someone on standby to answer your various questions, this package may be just what you need!*

*Day-Of Coordination services are optional with this package and can be added for an additional fee.*

## Day-Of Coordination.....Starting at \$1,400

*This package is the perfect option for anyone wanting to enjoy the day they've taken the time to plan without the hassle of trying to manage everything on their own. Hand your plans over to me, and while you make memories, I'll make sure your event plays out the way it's supposed to*

## Wedding Blueprint.....Starting at \$750

*The perfect option for couples who want to take on planning themselves, but need a hand getting started! This package offers all the tools you need to get started, including the research and comparison of venues tailored to the couple's specifications, detailed and personalized timelines to keep you on track, budgeting sheets to help track your finances, and more helpful resources!*
