TESTIMONIALS

Erielle made wedding planning so much easier. My only complaint is not having a reason to talk to her every day now that it's over! She was our biggest hype woman and everyone needs an Erielle on their big day!!

-Lelia Norton

TESTIMONIALS

Erielle helped me take care of some of the details for my son's engagement party. It was a perfect evening, and everything turned out great! She was super easy to communicate with and I appreciated the quick replies and follow-up. Additionally, she is just the sweetest person. It's obvious she loves what she does! Thank you, Erielle!

TESTIMONIALS

"You have to get Erielle for your big day. There's no way my wedding day would have gone so smoothly had I not hired her. I was able to relax and enjoy every moment of my day, stress free. I knew Erielle had it all handled. And she did. My husband, my dad, and other family members were even commenting on how well she kept the day going and how great of a help she was. Book her, you will not regret it. Promise."
