## Custom Packages/Add-Ons

### Pre-Ceremony - \$400

This is where we capture what's going on before the ceremony day-of. So getting suited up, getting hair and makeup done, the first look, those sorts of tidbits.

### Rehearsal Dinner Coverage - \$400

The rehearsal dinner is always a lot of fun. There's toasts, speeches, and laughs with the friends and family that come together to make the big day happen.

### Love Story - \$1000

This is shot before your big day. It's an interview based short film that can be used at the reception as a fun way for your guests to get to know you as a couple.

### Destination Wedding – Contact for Quote

Getting married outside of our base of operation (Sitka, AK)? We'll come to you! Price dependent upon destination.

### Aerial Coverage - \$200

We are federally certified remote pilots with a small fleet of cinematic drones at our disposal so if you want to see your event from a different view this is a great add on.

\*Weather & location permitting

### Video Booth - \$500

We'll set up a video booth for your guests to record personal messages just for you. These can be edited into your wedding film or into a separate video.  
Aerial Drone Coverage (When location and weather allow)
