# ABOUT US

Established in 2009 our property boasts over 30 acres of land and 4 acres of estate vines. Here at Creek's Edge Winery, we are nestled into the hills, embracing the land, taking on its cues, using natural materials throughout; local stone, handcrafted metalwork, and black walnut harvested from our property.

Step inside our silo with a unique interior that mimics the classic wine barrel, complete with metal strapped oak. Ornate Amishstructured buildings make up the venue, sprinkled with wine barrels and bistro lighting. Whether you have an elopement by the fire in February or 200 guests in the heart of the summer, we have the perfect setting for your wedding.

# OUR EVENTS
