Wedding Testimonials

★★★★★ Wedding Wire Reviewed On 4/30/2021 by Megan K

Our wedding was on April 30, 2021. We were the second wedding to happen at this venue when the reopened from Covid! Mel was so amazing. She worked with us every step of the way even with us living in a different state! She made the day so easy. She was a trooper it was very very windy on our wedding day and she helped our photographer get the best pictures ever! Everyone raves about the venue and the food! Almost every single person best food they have ever had a wedding!

★★★★★ Wedding Wire Reviewed On 5/22/2021 by Amanda R

Crestwood and their wedding coordinator Melany made my wedding stress free! Melany took care of everything from helping us pick food and vendors, setting up our decorations, running and organized rehearsal for a 20 person wedding party, showing the photographer where the good photo spots are, and bustling my dress! The venue is beautiful inside and out, with a lot of greenery and ponds to take photos. We ended up having an indoor ceremony because it rained, but the indoor location is really beautiful, not just an after thought like some venues. The food was good and the prices were really reasonable, they don't nickel and dime you. All of our guests had a great time at the wedding. There is a lot of space for people to mingle from the dance floor to the bar to the outdoor patio with awesome sunset views! We were so happy with our experience at Crestwood!

They helped create the wedding of my dreams! I could not have been happier with my choice of having crestwood as my wedding venue. They were beyond accommodating with everything related to covid. I can not say enough good things about crestwood and their staff. HUGE shout out to Melany for assisting me with everything over the past 4 years planning the wedding of my dreams.

★★★★★ The Knot Reviewed On 7/18/2021 by Shawna S

Melany was SO helpful through the whole wedding planning process, answering my million questions and getting back to us quickly. On our wedding day we made sure everything was perfect even managing to fix my earring which had broken that morning, and having tons of band aids available for anyone who got blisters from forgetting to break on their shoes. Crestwood country club was so easy to work with to make everything exactly how we wanted it definitely helped make our wedding day memorable and flow seamlessly

★★★★★ The Knot Reviewed On 7/21/2021 by Rebecca H

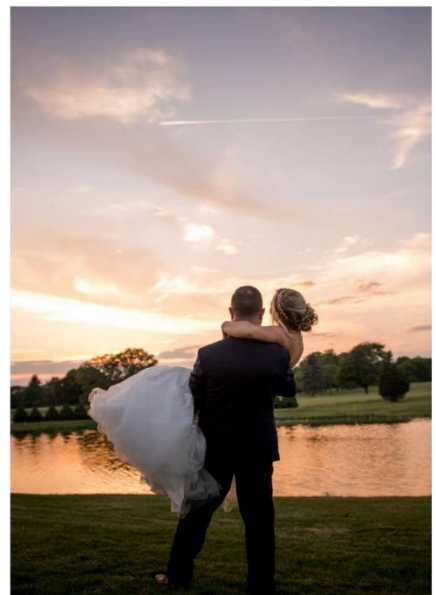

When my husband and I visited quite a few venues before discovering Crestwood. Up until that point, we we're getting so discouraged. Every venue seemed to just not have it all - they either had absurd rules or hidden fees or just seemed to not really care about their clients and their special day. I kept hoping we'd find the perfect place and then we found Crestwood. From the first time we met with Melany her passion and genuine love for her work shone through. She was so gracious, helpful, kind, and genuinely excited for us. When we booked, we told Melany we were going to become fast friends. It couldn't have been more true! Every meeting with Melany was a genuine joy. She is so knowledgeable and just the absolute BEST at her job. When COVID hit and we had to reschedule our wedding twice, she was there every step of the way. And nothing changed, she was still kind, helpful, accommodating, honest, and determined to make sure all of her couples had their dream day. And on June 26th we were finally able to have ours! Crestwood was perfect for our big day. The setting is picturesque, the staff is professional and kind, the parking is plentiful, the location is convenient, and the food is delicious!... ★★★★★ The Knot Reviewed On 9/07/2021 by Ashley H

My husband and I are newlyweds, married on 8/28/2021! We had our ceremony and reception all at Crestwood Country Club in Rehoboth MA. Everything about this country club is amazing. Starting with Melany the event/wedding coordinator, she's a dream to work with. Throughout our two years of working with her she was there through everything, always answering questions and being super helpful! She made planning a breeze, we couldn't of done it without her. Also Jamie and the entire staff were wonderful, making sure we had everything we needed the day of and the entire night. And not mention Melany also being there for you the entire day! Everything from start to finish went smooth. The location is perfect, the outside ceremony is beautiful right in front of the golf course and the ball room has a perfect view of the golf course with all the windows that are overlooking. I could go on and on about how much we love Crestwood and Melany. I would highly recommend checking out Crestwood for weddings and other events. For all the future brides getting married there, you are extremely lucky to have Melany! Our experience exceeded any expectations we had.
