## About Living Classrooms

Founded in Baltimore in 1985, Living Classrooms Foundation is a Baltimore-Washington, DC nonprofit that disrupts the cycle of poverty and helps our community become safer, stronger and healthier by meeting individuals where they are and building skills for life. Living Classrooms inspires children, youth and adults to achieve their potential through hands-on education, workforce development, health and wellness, and violence prevention programming. Proceeds from the rental of the Frederick Douglass - Isaac Myers Maritime Park support the ongoing delivery of Living Classrooms' life-changing programs that are making our community safer, stronger, and healthier.

## About Maritime Park

The Frederick Douglass-Isaac Myers Maritime Park is Living Classrooms' headquarters and national heritage site, celebrating the contributions of African-Americans in the development of Baltimore's maritime industry, including the Chesapeake Marine Railway and Dry Dock Company, the nation's first African-American owned and operated shipyard established in 1868. The site honors the legacy of shipbuilding and Baltimore's working waterfront as it relates to African American Maritime and Cultural History, Isaac Myers and his partners, and Frederick Douglass while preserving on of the city's oldest industrial waterfront buildings, the Sugar/Coffee House.

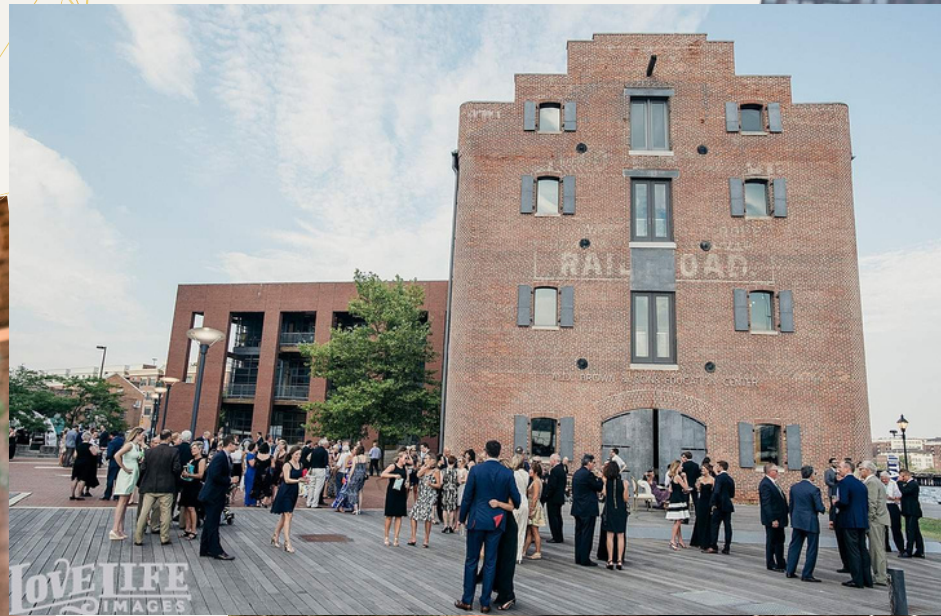

# Host the wedding of your dreams at Living Classrooms Foundation's Frederick Douglass - Isaac Myers Maritime Park

Maritime Park boasts multiple events spaces, including indoor and outdoor options, to help turn your wedding dreams into a stunning reality.

The venue can accommodate groups of varying sizes, with room for up to 1,000 for outdoor events and up to 180 for seated, indoor events.

Enjoy the panoramic, harbor views and the historic nature of the indoor space with exposed Baltimore brick and industrial wood beams.

# OUTDOOR EVENT SPACES

*With each wedding reservation, you receive access to all of the indoor and outdoor event options, giving you flexibility, and giving your guests the opportunity to experience both the harbor-front views and indoor historic architecture.*

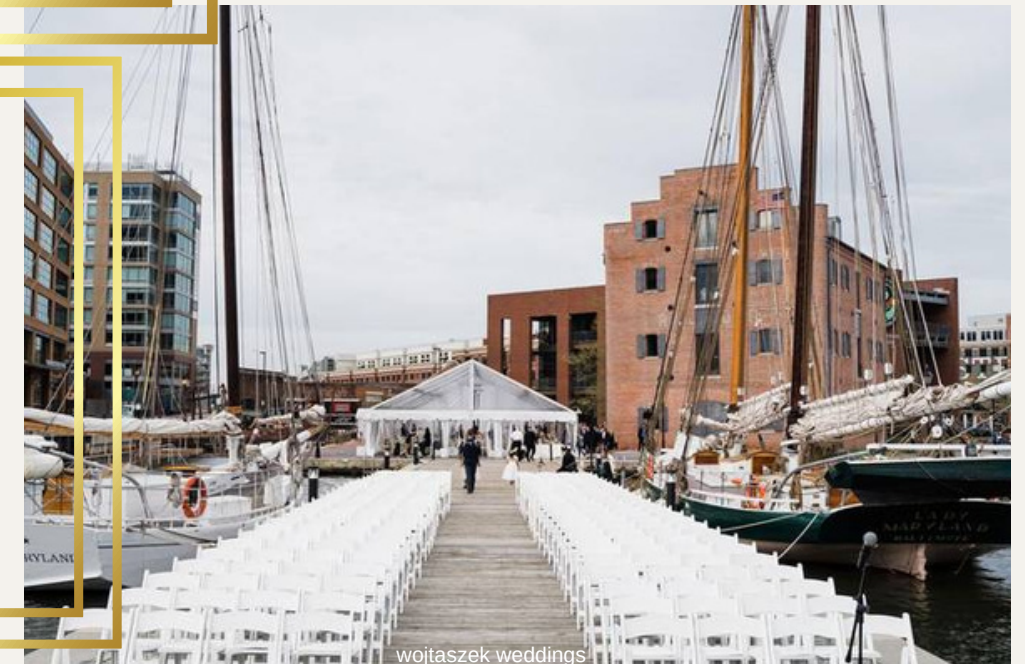

*Host your ceremony on the Cardin Pier, where you and your guests can marvel at the panoramic harbor views. The harbor and the city's iconic Domino Sugar sign help create a memorable backdrop, allowing for plenty of can't-miss photo opportunities.*

*Following your ceremony, weather permitting, guests will mingle in the adjoining promenade and courtyard.*

*For weddings with a larger guest count (180+ guests), you may be interested in renting a tent for the courtyard for your reception. The courtyard can seat up to 600 guests, allowing your friends and family to take in breathtaking views of the harbor for the duration of your celebration.*

*\*Note - Tents are not required for weddings of less than 200 guests. Tents are also not included in rental of the venue, and must be rented from an outside provider.*

The Bearman Gallery features floor-to-ceiling windows with third-story views of the harbor, and industrial wood beam ceilings. The walls of the Bearman Gallery showcase a local, Baltimore artist exhibit that rotates four times per year.*
