

An aerial photograph of a vast vineyard at sunset. The sun is low on the horizon, casting a warm, golden glow over the landscape. The vineyard is divided into neat rows of grapevines, with a dirt road winding through them. In the background, rolling hills are visible under the soft light of the setting sun.

Founded in 1982, Joullian Vineyards & Winery is small family owned boutique. We strive to provide the best wines and experiences Carmel Valley has to offer. Located at the Southeast end of the valley, the estate consists of 655 acres complete with a 30 acres vineyard and a stunning winery. Joullian Vineyards and Winery is the perfect venue to welcome guests to events, private tours, and wine tasting packages. In addition to the Estate, Joullian has an inspiring tasting room located in the Carmel Valley Village. This beautiful building was modeled after a French Chateau which is open daily for tastings and events.
