

Weddings

Our Fairy Godmother team would be thrilled to provide you with a lovely, classy wedding with all the bells and whistles with our darling mini chapel! The ceremony is held on the front porch of the chapel with amplified sound so all your guests can easily view and hear your special moment. Our cost for a custom wedding in the darling chapel, including aisle decor, window boxes on either side of the chapel, floral designs on chapel steps, interior chapel décor, professional uplighting, seating for guests, park rental along the scenic harbor wall, and an Officiant is \$3900. (We offer morning weddings for \$2900.)

Receptions

If you choose to add a reception, our outdoor venue is absolutely gorgeous, and the photo opportunities are endless! We create a garden type of experience with overhead string lights, beautifully designed tablescapes, specialty lighting, and vignettes. We also have several indoor venues that we transform into beautiful events. We have several caterers we work with, and we also have our 6-foot bar for beverages on ice, so your guests can help themselves. Please let me know if I can answer any questions for you about a reception, as they are also custom designed and unique to you. Our price sheet for receptions is as follows:
