

## PREMIERE DUO GENERAL PRICING INFORMATION

Thank you for your interest in Premiere Duo! Premiere is a high energy variety duo with an elegant cocktail/dinner set if requested.

We provide full PA, lights, emcee services, break music, mics for toasts, and a cocktail set if requested. Premiere Duo is a two piece band. Please watch our Duo video on [Premiereband.com](http://Premiereband.com). Our video is on FB as well. We will learn a special request if appropriate. We have a formal look with tuxes and gowns or we will dress appropriately for your event.

For a 4 hour wedding reception, our base price starts at \$800.00 depending on location. But we are negotiable. We can easily come off that price if there is no early set up or if your wedding is off season. If you want to add cocktail music, there will be an additional minimum cost of \$300-\$450 depending on location. Other factors can affect the price as well. Premiere runs many special discounts throughout the year.

Please feel free to call or text me to discuss details at (804) 397 0604.

I look forward to hearing from you!
