On the day of my wedding, she brought my vision together beautifully. As someone who works a demanding job, I needed someone sharp, capable, and responsive. Miriam was all three, plus she is kind, passionate about her career, and empathetic to boot. You cannot go wrong with her services.

Miriam made tasks I dreaded exciting and something to look forward to. She is more than just a wedding planner, she is now part of my family and a true friend! I can not recommend Scout and Grace Events enough! They went above and beyond to make my big day perfect. Everything I pictured in my head Miriam brought to life. She has even kept touch post wedding and helped me preserve my bouquet at the last minute! If you want your wedding vision to come to life perfectly, your wedding day to run smoothly, and to make a friend to drink wine with you need to hire Scout and Grace! I can't imagine not having Miriam as part of my big day. Without her expertise behind the scenes there is no way I would still be getting compliments on how great my wedding was! I cannot stress enough the importance of having a GREAT wedding planner!

Worth every penny. - Kristen

Miriam was AMAZING to work with. She bent over backward to ensure our weekend was perfect. We hired her to coordinate our Sangeet as well as the traditional wedding day and she did everything in her power to make sure everything was flawless. We would recommend Miriam 100000000x over again. She is amazing at what she does and ensure that the Bride and Groom are the top priority-- no one else! We love you, Miriam!
