FAQs

Q:"Do you have a payment plan?"

A: Yes, I do! I break up the total balance into three payments. The first third of the balance is collected as your deposit at the time you choose your final packages and sign your contract, which will secure your wedding date on my calendar. The second payment will occur 60 days prior to your wedding date and the final payment will be collected 30 days prior to your wedding date.

Q:"Do you deliver raw footage or showcase every video that you take?"

A: No, I do not. Part of my process includes organizing all of the footage and narrowing it down to only the best shots. Due to the sheer volume of footage that I take, it would be very difficult to transfer every clip. With my expertise shooting hundreds of videos in the past, I will ensure that I get the right angles and include every shot that is necessary to tell your story. Special requests for raw footage can be made for a flat rate fee per clip, depending on the amount of clips requested.

Q:"If I need to cancel for any reason, do I get my deposit back?"

A: Unfortunately, deposits are non-refundable. A cancellation within 30 days of your wedding date will result in a forfeiture of the remaining balance. If any unforeseen circumstances arise where your wedding date needs to rescheduled, I will always accommodate to the best of my ability!

Q:"How many gas travel miles are included in each wedding package and do you film destination weddings?"

A: All my wedding packages include up to 50 miles within the Greater Sacramento Area. Every mile after 50 miles will be subject to a 59 cents/per mile fee. Destination weddings are fun and I love the opportunity to travel! However, they are a special request. Please notify me, preferably in advance, if you wish to have my services provided somewhere that is not local to the Greater Sacramento Area.

Q:"Do you have liability insurance?"

A: Yes, I do! If you need me to provide any of my information to your venue, I can always do so. I can also get in touch with your coordinator or best other contact.
