Special Services Plus Optional and Non-Optional Fees

Optional Warehouse Set Up Fee: Our team will do a basic set up of tables and chairs for your event based on your floor plan design. Please send us your diagram at least one week before event. Up to and including 100 guests: \$200; 101 to 200 guests: \$400; 201+ guests: request pricing.

Non-Optional Cleaning and Tear Down Fee: Cost is determined by the venue – this is a non-optional fee that we charge all clients to ensure that our venues meet our standards. We hire an outside professional cleaning team that deep cleans and sanitizes before and after each event. Plus, after the event, we move all tables/chairs and staging furniture back to their original positions or racked location at our indoor venues. We also remove the trash bags from the trash cans and place in the dumpster.

Damage Deposit: Cost is determined by the venue and covers any excessive cleaning or damage incurred to the venue for which the client is responsible. We reserve the right to use this deposit towards this damage and we will discuss the situation with you prior to use of the funds. Management reserves the right to increase the damage deposit based on type of event.

Special Charges at The Eclectic Warehouse: There is a charge to move certain heavy/delicate items such as the stage, the drapes, the large glass table and the wooden pallets next to the stage. The piano cannot be moved. Please inquire if you are in need of these services and we will send you our Special Pricing Document for these additional services.

How to Book

- We require a signed contract to reserve our venues and accommodations. The first step is to have a phone intake so that we can collect the information that we need to create a contract via DocuSign. We also will share with you important information about your rental. This might take anywhere from 15 to 45 minutes.
- To reserve any of The Eclectic Warehouse venues, we require that you pay 50% of the Facility Fee (or package fee) at the time of booking. The remaining 50% of the Facility Fee is to be fully paid 6 months before events at the Warehouse and the Woodlands. For all other venues, final payment is due 4 months before the event. The final payment for all packages is due 6 months before the event. At that time, the refundable damage deposit and the cleaning fee are also due. Facility Fees are non-refundable. See General Rental Policies.

We cannot hold dates for your event without contract and payment.

Let us know what we can do to make your event truly wonderful!
