The process

1. Initial Email

Congrats! You've already made the first step by reaching out. This brochure lays out the basic package and pricing structure. If you don't see something that suits your needs, feel free to let me know - I'd love to see if we can create a custom package.

2. Meet Up!

If you're loving what we have to offer, then let's take the next step and meet up! My meetings take place in my studio in Monkton, MD. The studio provides a comfortable environment for us to get to know each other & talk about the wedding photography experience, including payments, contracts, etc. You'll also be able to view full galleries and album samples. Or, opt for a phone or video call!

3. Make it Officially Official

Once you've decided that we're the perfect fit, it's time to make it officially official! A proposal including the contract and payment portal will be emailed to you. Once the proposal is signed (digitally - super easy!) and the 50% retainer is paid, we are officially booked for your wedding day!!! *insert champagne pop here! *

4. Start Planning!

The next thing we'll do is schedule your engagement session. I recommend choosing a location that is meaningful to you and your fiancé. If you're not sure where you'd like to go, I have a list of great choices all around the area.

We'll be sure keep in contact in the months leading up to your wedding so we're both fully prepped for the big day. I'm here to help you with any of your planning needs!
Vendor recommendations, timeline creation, and more!

what to expect

I'M THERE TO CAPTURE THE JOY, LAUGHTER, EMOTION AND BEAUTY OF YOUR WEDDING DAY. I LOVE IT WHEN MY COUPLES RELAX, GO WITH THE FLOW AND ENJOY THEMSELVES.

Over 100 amazing couples have entrusted me to photograph their wedding and capture the memories that will remind them of their wedding day forever. I use my love of light & laughter to create warm, bright images that are sure to bring a smile to your face. At the end of your experience, you'll have wonderful photographs and some amazing memories to look back on! This job fuels my soul, so be prepared to see a big cheesy grin and hear me squeal with excitement behind the camera - a lot!

Whether you're getting married in an industrial loft in downtown Baltimore, at a vineyard with 300 guests in western Maryland, or overlooking the Chesapeake Bay with your closest friends and family, I'd love to be there to capture the day that marks the start of your married lives together.
