

MEET TWIN KENNEDY:

Music for your special day

**AN AWARD-WINNING DUO FEATURING
SIBLING HARMONIES AND SOFT STRINGS**

Making music is our passion. We would love to tell your story through songs on your wedding day! We have performed thousands of shows, including hundreds of weddings across the US and Canada, and we love working with couples to create memorable musical moments.

With a beautiful blend of sister harmonies, acoustic guitar and violin, we have worked as a professional acoustic duo for over 15 years. We both have classical music degrees in performance, and we now tour the world as an internationally recognized country duo, so we can tailor your wedding playlist to include all musical styles from classical to country!

“When we look back on our wedding day, one of our favorite memories is walking down the aisle to the music of Twin Kennedy. Carli and Julie wrote us a custom song for our wedding, and also played a variety of songs of our choice. True professionals, I can't recommend them enough. As far as vendors go, they were great communicators, adapted to our needs, and went above and beyond to make our wedding day special and memorable. *Robert and Katelyn Young*

“A dream come true for our wedding music! They created unique acoustic arrangements for the songs we chose and even dressed to match the flowers at our venue! They made the day such a memorable one with their beautiful music. They were professional and lovely to work with too! *Amanda and Stuart Kinnear*
