## The Commitment Package - \$3,000.00

Rolling Smoke vintage airstream cigar lounge will put your wedding over the top by having our airstream at your venue for 10 hours! This gives your Groom and Groomsmen time to hangout and get ready in the Lounge before the wedding and it allows all of the wedding guests an opportunity to visit after the nuptials have been performed. This package will include up to 100 cigars, depending on brands chosen. Our team of experts will discuss a cigar package with you to make sure a variety of smokes are available for your guests. Additional cigars are available for purchase throughout the event.

## The Co-Conspirators Package - \$2,000.00

Package includes the same as above but for seven hours and 75 cigars. Additional cigars are available for purchase throughout the event.
