## **Additional Information**

### Traditions

According to tradition, the top tier of the cake is frozen during the first year of marriage, and is then thawed and shared for the first anniversary.

In lieu of this tradition, we like to offer our couples a complimentary fresh cake that is a small replica of their top tier. This includes flavors used, and most decorative elements.

To order, simply contact us a few weeks prior to your anniversary so we have ample time to prepare your cake!

### Delivery/Set Up & Stand Rentals

Delivery fee is dependent upon travel distance/time  
Includes final on-site set up of cake(s) and/or dessert table if necessary

Please visit the Stand Rental page at [www.bbirdpastries.com](http://www.bbirdpastries.com) for more information regarding stands!
