# TESTIMONIAL

---

"LA Love Weddings is amazing! Even before we met, Armani & Tiffany had scouted out a variety of gorgeous locations and were incredibly helpful via email. On the day of, they put us at ease and helped us relax around the camera. They worked with what we had in mind for the shoot and gave us great ideas for different poses that ended up being some of our favorite! The photos are more gorgeous than we could have imagined!!! I've had so many compliments on how magical and ethereal our pictures turned out, and it's all thanks to Tiffany and Armani!"

- Gurleen Chadha

## TESTIMONIAL

---

"My fiancé and I had a wonderful experience with LA Love Weddings! We were nervous at first because we did not know what to expect and thought it could be awkward. Tiffany and Armani work very well together - Tiffany will make you feel at ease and will direct the poses while Armani takes the pictures and looks for the perfect background. Both bounce ideas off each other and are very creative. The engagement shoot was very effortless and comfortable! The pictures also came out very beautiful and it was the perfect city vibe that we were looking for! Thank you

LA Love Weddings!"
