## CULINARY

Leal's skilled team of exceptional culinary professionals have prepared menu offerings that will elevate your event with an exquisite dining experience for any taste.

Our goal is to create deliciously memorable cuisine with the highest-quality, seasonal ingredients. Special dietary needs or vegetarian requests are honored with creative flair, and unique presentation as well. Be assured that our culinary division will produce a memorable meal for all of your guests. We also offer an extensive array of wine, draft beer, and signature cocktails, all of which may be tailored specifically for your wedding or event to create a truly unique experience. Our Event Coordinators will guide you through the process of your menu selection and advise you on your event timeline. Professional and highly trained wait staff and bartenders will deliver seamless service throughout your event.
