

# Snedícor

Our [GreenEarth](#) dry cleaning solution preserves your precious memories long after the wedding day. Because it's so gentle, you know you're getting the kindest possible clean in GreenEarth. No hazardous chemicals. No petroleum. Just 100% pure, liquid silicone.

We thoroughly spot-clean and dryclean the dress bringing it back to like new as possible. Your gown will be guaranteed 100% against caramelized sugar stains or yellowing. You select how you would like your gown returned:

- 1) Full MuseumCare™ preservation returned in an acid-free keepsake box with acid-free tissue paper enclosed in a muslin bag for good, filtered airflow. \$350
- 2) MuseumCare™ preservation returned on a hanger in a muslin gown bag. \$250

Our gown preservation services carry the [guarantee](#) of the Association of Wedding Gown Specialists.
