Welcome!

My name is Aly, lead photographer and owner here at
Aly V. Photography.

A little backstory - I finished school as a Medical Assistant and started college to be a nurse, which means that I never actually had "formal" education for photography. The only education I've had is from my great photographer friends, YouTube tutorials and asking other professionals thousands of questions.

After years of working at the hospital during the day and photographing couples in the evenings, I realized that my number one priority is photography. So, in 2020 I quit my job at the hospital and dove right into wedding photography full-time. I haven't regretted this decision for a single second!

I am based out of Central Pennsylvania but I'm excited to say that I've had the privilege of working with couples far past PA. So far, I've done weddings in almost all states on the east coast and hope that these adventures will continue on.

I full-heartedly love what I do. I pour my heart into every gallery that I deliver and into making my couples feel confident and comfortable in front of my camera. My goal is to give you the tools you need to have a stress-free wedding day. Because when you're comfortable and relaxed, it shows in the photos as well!

I have so much to share with you!

So, if you're anything like me, grab a cup of coffee, have a seat and flip through this pricing guide that I've put together for you!

Meet the Photographer

HELLO & WELCOME!

I'm so glad that you found me! I personally believe that getting to know my clients is the #1 way to ensure a great client experience, so I'll begin with a couple things about me!

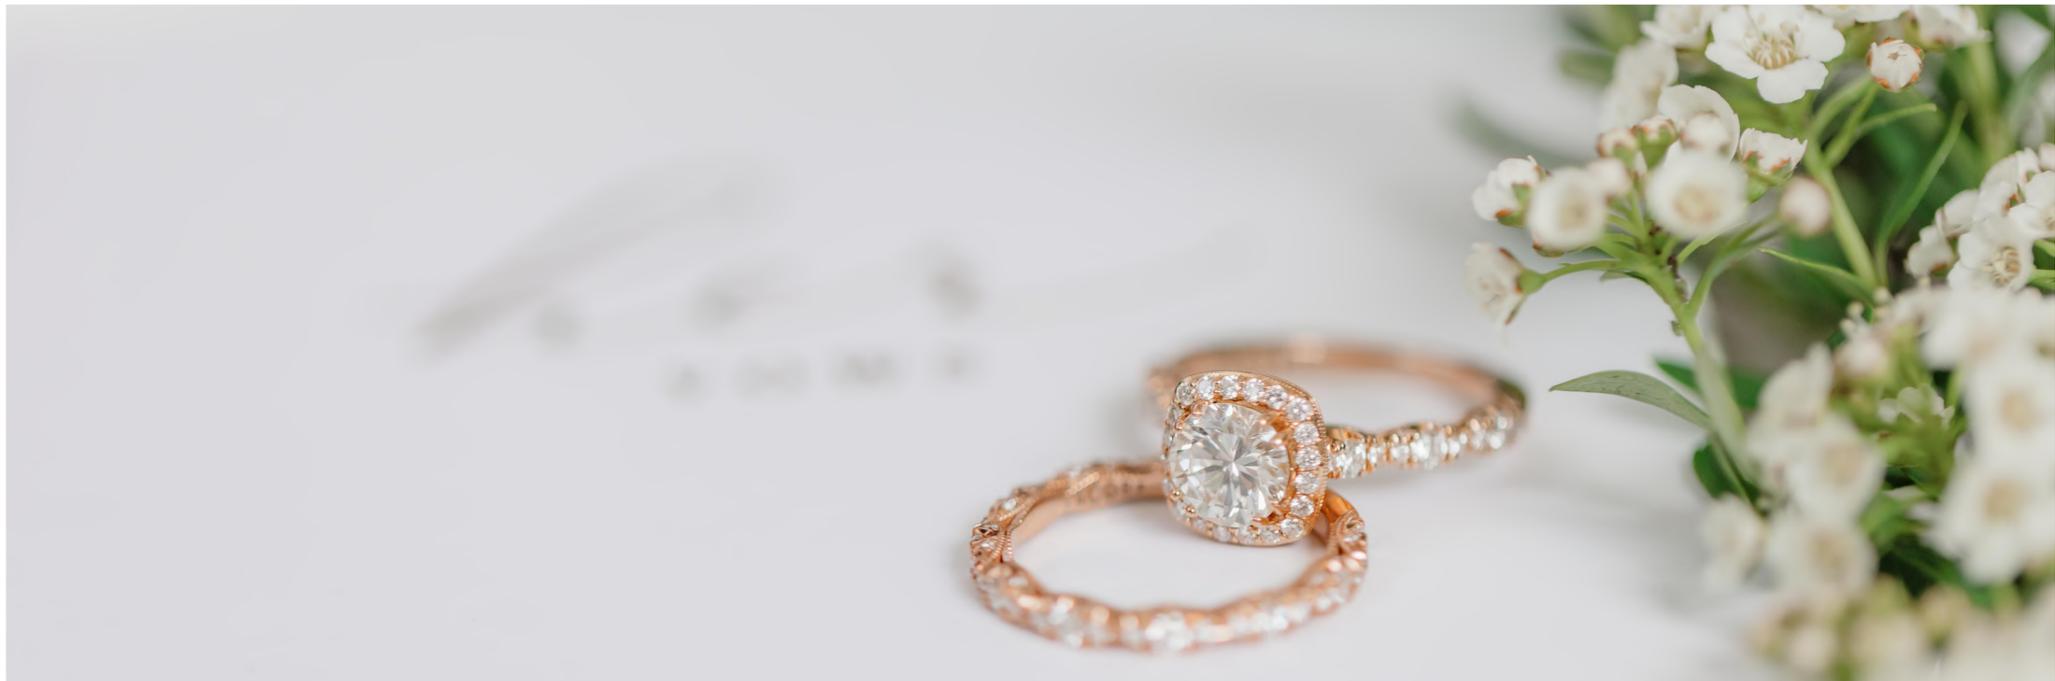

@ALYVPHOTOGRAPHY

01. I am married to my best friend, Andrey (I've been crushing hard since 6 years old!)

02. I have the most adorable (and almost well-behaved) cat, named Sushi

03. I am slightly obsessed with coffee

"MY HUSBAND AND I ARE NATURALLY AWKWARD SO WE WERE NERVOUS ABOUT HOW OUR PHOTOS WOULD TURN OUT, BUT BOY DID SHE DELIVER!!!! VERY HAPPY WITH HER SERVICES ALL AROUND. HIGHLY RECOMMEND!"

Laura & Brian R

"WE WERE LAUGHING CONSTANTLY AND SHE MADE ME FEEL LIKE WE WERE BEST FRIENDS, WITH KEEPING IT PROFESSIONAL AS WELL. I WOULD RECOMMEND HER 1000X OVER AGAIN!"

Sarah & Zackary K

A woman with dark hair styled in an updo, wearing a white floral dress, is shown in profile, looking towards the left. The background is a soft, light-colored wall. A semi-transparent white box is overlaid on the right side of the image, containing text for three wedding photography packages.

ENGAGEMENT SESSIONS

01.

1 HOUR | TWO LOCATIONS | TWO OUTFITS

02.

30 MIN | ONE LOCATIONS | ONE OUTFIT

Your engagement session is not only a great time for me to get to know you both as a couple, but it is also a great time for you to get comfortable being in front of the camera.

Your wedding day is the only day its kinda reasonable to hire an entourage of paparazzi who are pretty much going to be following you around for the entire day... if that makes you feel a little nervous then I HIGHLY recommend setting a time to get some practice with an engagement session!

Once you receive your final gallery, you can use the images to display around your house, send out save the dates, create a custom guest signing book, or frame them to display on your wedding day.

Make this session memorable :

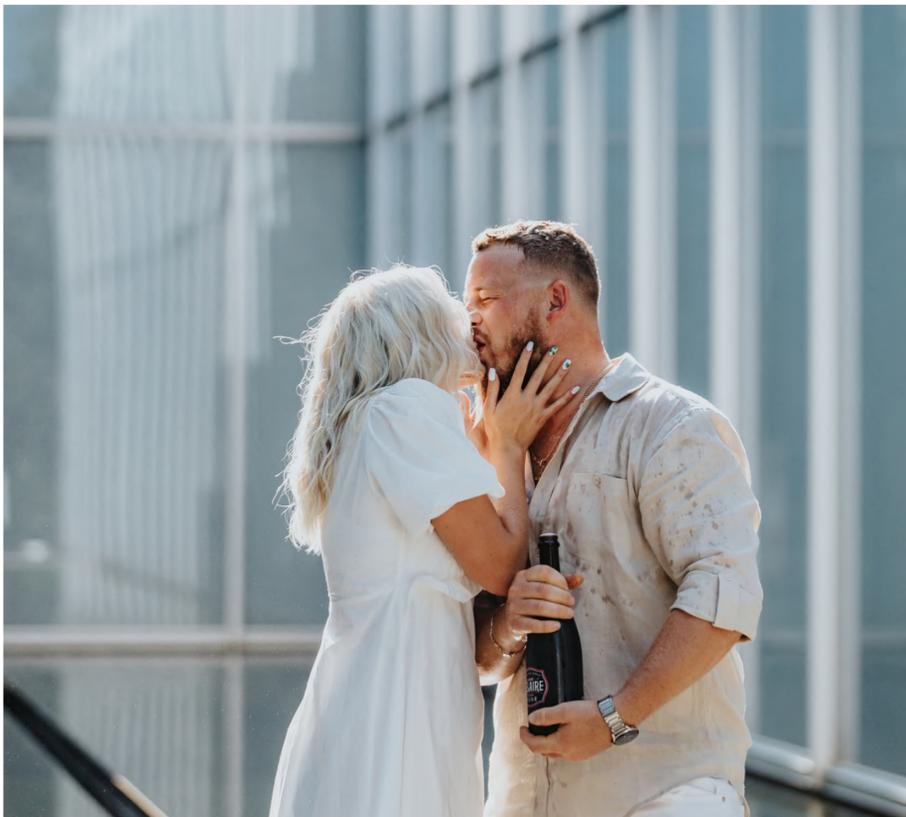

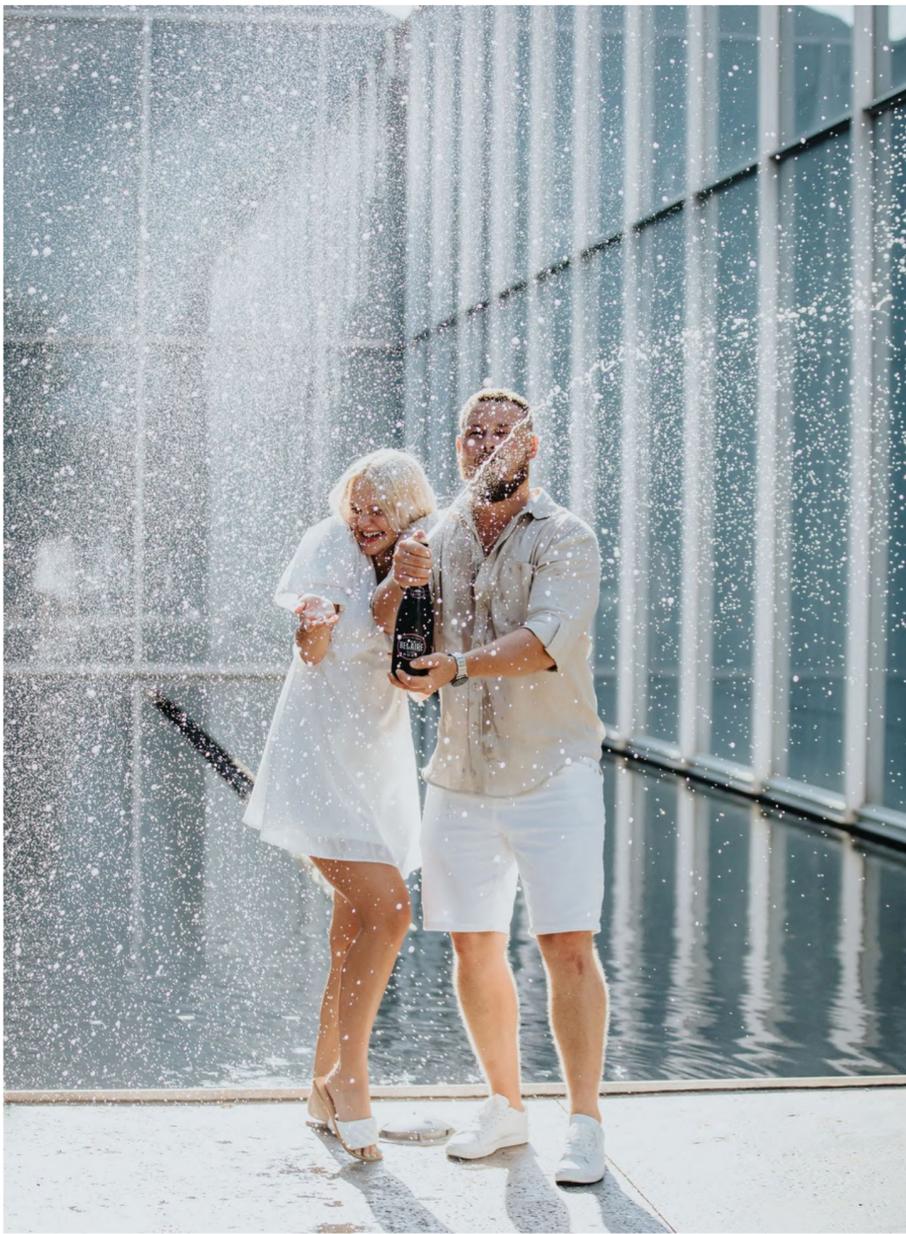

01. CHOOSE A LOCATION THAT IS SPECIAL TO YOU!
Think favorite city, date spot, proposal, where you met.

02. PICK TWO OUTFITS

One dressy & one more casual - make sure you feel your best and are comfortable in what you wear!

03. ADD PROPS!

Anything works to add photo variety! I recommend bringing a bottle of champagne (to end the shoot well!), a blanket your favorite food / dessert, etc!

I am here to help with any and all decision making. Any time you have a question, please don't think twice about shooting me a message. Here are all the ways to reach me :
