FOR THE PEOPLE WHO WANT SOMETHING UNIQUE

It's important you find someone whose work you LOVE - But I believe it's just as important you find someone who will bring out the best of who you are in your photos! After all - Your wedding day is meant to be a celebration - You probably want a photographer who is fun and will keep things calm! I am a lover of burning sunsets, hiking in Colorado, and ice cream. We hope this guide gives you an idea of our style, and who we are!

It's great to meet you! Well... kind of. I would LOVE to meet face to face soon! I would like to thank you for inquiring with Matt Umland Photography! The truth is your wedding is a once in a lifetime occasion - The two of you are about to start the most challenging, rewarding, exciting, life-changing experience of your lives together, And choosing someone to capture that day through photography is a big decision and I would love to take that on.

WHAT MAKES ME UNIQUE?

Lets be honest, there are so many beautiful, incredible photographers out there. Many of them are people I've been privileged to call friends. I'm not going to tell you I'm better than they are - The truth is art is a personal thing that touches everyone differently. We all have our own unique style and creative vision that we uniquely bring to this world.

Here's what I'm all about: Getting to know you as friends not just a client, a job, or a paycheck. I LOVE getting to see our clients as friends, because when the wedding day comes I get to CELEBRATE WITH YOU! I have a heart for exploration and I love working with couples who share this adventurous spirit and desire to create something breathtaking that will last a lifetime.

our wedding is YOUR story. Its beautiful, its messy, its totally unique. I'm wild about capturing every part of it.

Sincerely, Matt
