

# YOU ARE GETTING MARRIED, SO LET THE PLANNING BEGIN!

Pendaries is a beautiful mountain resort community in Northern New Mexico. We are situated in the Sangre de Cristo Mountain range. Our wedding venue offers amazing views of both the valley and the mountains.

We like to think of ourselves as the best hidden gem in New Mexico.

Pendaries specializes in intimate weddings and elopements up to 150 guests.

With our high elevation, Pendaries has some of the most beautiful weather in all of New Mexico - making it ideal for couples wanting an indoor or outdoor wedding! There is nothing better than experiencing our cool and starry nights in the beautiful mountains of Rociada.

Our goal is to create a day that is just about the two of you and your love for each other!
