a la carte

EXTRA COVERAGE

\$175 per 30 minutes

Sometimes you need a bit more time to express yourself or you simply want a little more time to make soulmate magic. Booking extra time can make a massive difference.

SECOND SHOOTER

\$75 per hour

As much as we wish Katie could be in two places at once, she hasn't quite figured out how to do that yet. She tries her best to capture everything that she can, but having a second shooter helps make sure we catch all the most important moments in the best light.

ENGAGEMENT SESSION

\$300

Add on an engagement shoot to get the most out of your experience and let us get to know and tell your love story better!

EXTRA EDITING TIME

\$75 per hour

Have a special editing request for a few photos? We got you! Katie already does edits and skin touch-ups, but she's happy to spend extra time making your favorite images absolutely perfect per request.

FLASH DRIVE

\$75 each

Want something physical? Upgrade to a beautiful crystal flash drive in a linen case. These make a great gift! Custom boxes can also be added for an additional fee.

PRINTS/ALBUMS

Varies

Call us old school, but this is our favorite way to look through photos. There's just something about pulling out photos and sharing them with family or looking at them during a major turning point in life. Prices will vary based on size or type of print.

Travel

Whether it's hopping on a plane to come and meet you at the base of your favorite mountain or jumping in a car to explore somewhere that plays a crucial part of your life story, we love a new adventure.

Here are my rates for travel:

Trips within a 50-mile radius of Toledo, OH city center: Free

Trips up to 3 hours away:
\$50 per hour each way

Trips farther than 3 hours away, fees will include:

Lodging
\$50 per day for food
Rental car and gas
Economy flight (if applicable)

Q&A

Q: What sets you apart from other photographers?

A: Katie has years of hands-on and educational training. She knows how to pose and guide clients to make them feel relaxed and look their very best. She uses natural lighting as often as possible and makes sure the sessions are intimate and fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: Will my photos be posted publicly on your site or social media?

A: We respect your privacy and allow each client to decide whether they want their photos displayed publicly. We would love to show off you and your images, but only if you are game. If not, that's fine, too.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful and unique. If there are specific edits you want, these will be charged based on how many hours they take to edit.

Q: Do you have a list of preferred vendors to use?

A: Yes! From DJs to florists and caterers, we have worked with some of the best companies in the industry and would love to share their information with you! Just ask!

Q: Do I have to order prints through you?

A: We highly recommend ordering prints through one of our professional vendors, but it isn't required. There is a huge quality difference when printing through a professional lab, so we are always happy to help with prints!

Q: Do you photograph destination weddings?

A: Yes! We are more than happy to create a custom wedding collection to suit your travel needs.

Q: How do we reserve our wedding date?

A: A 30% deposit and signed contract are required in order to get your wedding on the calendar. The remaining balance is due 2 weeks prior to your wedding.

What to Expect

Consultation

Let's chat about your big day! We will look at different package options to determine what best fits your needs and we will answer any questions you may have. Need vendor recommendations? We can help you there too!

Contract, Payment, & Questionnaire

Once we decide on a package, I will email you a contract to seal the deal. A 30% non-refundable deposit is required in order to secure your date. The remaining balance is due 2 weeks prior to your wedding, but you are welcome to make smaller payments along the way. You will also get a questionnaire from me so we can learn more about you, your partner, and your vision for your special day!

Scheduling

Once we get closer to your wedding date, we will chat through the final events and timelines. If you need help with timelines, we have photographed dozens of weddings and can help!

Day Of

Katie and her staff (if requested) will come early on your wedding date! We will scope the venue and finalize the game plan for the day. We are here to help where needed! Need a boutonniere pinned on? Need a dress zipped? We got you! We will stay out of your way as much as possible except when directly posing and coordinating when needed.

Post Wedding

You'll get a few sneak peeks of your photos within 48 hours and all your photos in approximately 3-4 weeks.

Planning a wedding takes a lot of time,
but we're here to help!
