#### WHAT IS A CINEMATIC HIGHLIGHT VIDEO?

Think of it like a reel of the wedding day capturing all the best moments. Click [here](#) to see some examples.

# WHAT IS “RAW FOOTAGE”?

**Raw footage is the long clips that let you experience the full moment just like it happened.**

To capture the Ceremony, First Dances, and Toasts I bring a second videographer (or shooter) to specifically film these moments. We do our very best to clearly capture each moment so that if you every want to experience your wedding again, you can!

These clips are not edited like the cinematic video. Instead, they are put into long segments split up into each part of the day (i.e. “Ceremony”, “First Dances” etc)

**DRONE FOOTAGE IS INCLUDED  
IN EVERY PACKAGE.**

**WOAH, REALLY?**

**YUP.**

# WE LOVE FOOD

## Who doesn't?

That's why I require a **hot meal** for myself and my second shooter.

We're working hard and want to give you the best final product and honestly...we're always hungry!

Your provisions are appreciated :)

# ARE YOU FROM OUT OF TOWN?

**I'm from the Ocean City, New Jersey area.**

If your event will be taking place more than 100 miles from from Ocean City,  
NJ, additional travel fees will apply.

# WHAT ABOUT PAYMENT?

**Upon package selection,** I'll send a contract and an invoice for a 25% non-refundable deposit.

**Why is it non-refundable?** Well, once you pay that invoice, I set that date aside. I turn down other work and won't double book anything. I'm fully yours that day. Think of it as insurance for you and I.

**Final payment is due,** just before I send you your final videos.  
You can choose to pay in advance if you wish, but it is not required until just before I send you your videos.

**Upon payment,** I'll send over your final videos for you to enjoy and share!

# FAQ

## How long does it take to receive my wedding videos?

It generally takes me 6 weeks to edit everything and send it your way! But it can often be much quicker than that depending on the time of year. Fall is my busiest time.

## Are you insured?

Yup! I'm insured up to \$1,000,000.

## How much do you charge for additional coverage hours?

I charge \$500 per hour for each addition hour.

For example: If you booked me for my \$4,500 package that comes with 9 hours of coverage, but wanted to add an additional 2 hours of coverage. The total would be \$5,500.
