

We held our daughter's wedding at The Marigold. It was a perfect day at a picture perfect venue. From everything leading up to the wedding until the actual day, the entire staff of The Marigold was a dream to deal with, The venue is absolutely gorgeous, the grounds were impeccable and perfect for an outside ceremony, the food was excellent and did not disappoint. The Bridal Room was spacious and had everything we needed to prepare for the wedding. I want to especially mention and thank Lisa for being there to answer all of our questions and for her guidance and assistance in planning our day. A special thank you to Marcella and Yazmin .. our Maitre d' and bridal attendant - they were beyond amazing ..they were extremely helpful throughout the day, often assisting both myself and my daughter before we realized we needed them. Both of them and the entire wait-staff went above and beyond seeing to our needs, both before the ceremony and throughout the night, as well as our guests. The room was set up exactly the way my daughter planned, they attended to every detail - relieving us of any stress. I would strongly recommend The Marigold to couples searching for the perfect wedding venue!

Wedding Wire Review 06/26/2022

Great service at a reasonable price

We used on Encore Entertainment as the officiant for our wedding. They also provided the DJ, announcer, video, photographer, and photo booth services. The price was reasonable, and they were very easy to work with. They are reachable by email or phone and are very responsive to communications. All of the provided services were very high quality, and they provided a flawless wedding experience. People were still dancing right up to the point where the venue turned up the lights. The photo booth was enjoyed by all. The photographer and videographer were very responsive to individual requests for pictures and video. I would not hesitate to recommend this company if you are planning a wedding of any size.

The Knot Testimonials

Today marks one week of our Perfect Day! It was perfect. We had the best team. I am lost for words for the organized professionalism, and the enthusiasm that The Marigold, Somerset provided for our grand wedding day. Marcela, my Maitre d' was just amazing, She listened and respected all my requests. My assistant Nina I love her. I was very focused on saving memories and boy did they give me just that! I thank them both because they made me feel like a Queen, attended to all my needs and wants. Marcela and her team made sure we enjoyed every moment, cocktail, reception, our sit down dinner was just delicious. OUR guests love all the staff, they were very polite professionals. I felt no stress. I was in good hands. It's a day that goes so fast yet I remember vividly the details of our wedding day. I am so happy we use The Marigold for our venue. Lisa always kept informed and attentive to all my needs. The service was outstanding. Thank you again we are locals and The Marigold definitely will be part of any future family celebration!. The venue package was flexible, affordable and accommodated to individual needs . We are Hispanic, so food, location plus service is important and The Marigold gave us just that!. Credit to my husband Juan Carlos for picking the location with a family of 6 and living 7 minutes away was a BIG bonus!.

We can't say enough good things about The Marigold. From the food to the amazing staff everything was perfect for our wedding day and venue made planning enjoyable and easy.

We feel that a rating of 5 stars is not enough for this gorgeous and fabulous venue. We are giving them at least ten stars! We reserved this venue for our wedding in July and were blown away by the level of attention and service that the venue provided. We worked with Lisa, a fantastic star; she guided us through the planning process and offered all sorts of options for our event with a great vendor list. We always felt like we were in excellent professional hands. We were given a bridal and a groom suite on the day. Also, we were assigned a venue hostess/manager and a bridal attendant. We cannot tell you how magnificent these ladies were. We want to promote Yasmin and Carolina; they treated us like kings and queens from beginning to end. In addition, we heard from guests that the waitstaff and the captain of the evening's service were phenomenal and attentive to the guests' needs. We did not realize how fast and chaotic the day could be, and to have a team guiding us through the day helped us tremendously. The venue is stunning and Insta-worthy; we couldn't take a bad picture if we tried. Our day was a dream, thanks to The Marigold and their top-class team. We continue to receive compliments about the venue and the wonderful folks that helped us on our special day. We highly recommend The Marigold and hope they receive awards and acknowledgments for their achievements. Thank you so much to Lisa, Yasmin, Carolina, and the rest of the fantastic Marigold team!

The Marigold was the second venue we toured and once we toured it, we didn't want to look any further. We instantly fell in love with the beautiful and elegant ballrooms and overall ambiance of the entire venue. Not to mention the staff are wonderful and accommodating and pay attention to every detail for your big day.

Besides a ridiculously happy new wife, I'm a gigging violinist who's played at 50+ weddings, and my own wedding was one of the best I've ever seen! Lisa at the Marigold was incredible. She will make you feel taken care of and heard from start to finish and will be honest and open about what they can give you. We did not have a big budget, so they worked with us to give us what we wanted without breaking our bank. We had our indoor ceremony in the Sandalwood Ballroom, the loveliest space for a smaller wedding (we had 126 guests). On the day, I the most incredible maitre d and second helper that were constantly checking in and making sure we had what we needed (our bridal suite was stacked with mimosas and playing our favorite tunes!). The wedding day was seamless, and our guests said it was one of the most fun, beautiful, and well-done weddings they had been to.

The Marigold staff helped us to make our dream wedding a reality. From individualized attention to a gorgeous ambiance, you will not be disappointed. We had our wedding reception here in July. Lisa was attentive and kind, and always responded promptly to any questions we had. She went above and beyond in accommodating our vision. The staff at the Marigold was phenomenal, and helped our wedding day run seamlessly. We got so many compliments from our guests on the decor, lighting, delicious food, and kind staff. We could not have asked for a better venue than the Marigold!

We loved having our daughter's wedding at the Marigold (May 2022). The venue is absolutely beautiful - spacious and modern with many different size rooms as options. One of the rooms has an outside feel to it with stone walls and large

windows on two sides with views of the lovely outdoor spaces. We fell in love with the beautiful outdoor areas that we were able to utilize for our cocktails and a different area for the ceremony. The bridal / groom suites and large with closets, private bathrooms, and amenities that made our day so comfortable. The staff are not only SO pleasant and helpful, they worked well together to have a seamless affair. Everyone we encountered made us feel important and special. Our sales liaison, Lisa, was a gem. She was welcoming from our first visit, anticipated our every need, and ensured smooth logistics on the day of. What a lovely experience - I would highly recommend.

We wanted to have a stress-free wedding and The Marigold did just that - Lisa has been so kind and attentive since the first time we met until the day of our wedding - making sure every detail was noted. Ninfa & Marcella were amazing and constantly checked-in to make sure the timing of everything was perfect and helped with setting up, keeping us fed and so much more. We have received so many compliments on our wedding from the food to the wonderful service - we would chose The Marigold all over again if we could!

My fiance and I knew almost immediately upon walking into The Marigold that we'd get married there. After 3 tours, Lisa was the only one who asked us about us - our story, our engagement, what we wanted, what we liked, what we cared about. It truly seemed like she would work with us and make sure we had the wedding of our dreams. The Marigold also has tremendous perks - like booking by a certain date and receiving an upgrade. I'm so excited for what's to come during the next year and am so happy to be able to get married at the beautiful Marigold.

Lisa and the entire Marigold staff provided us with a fabulous wedding reception! As the parents of the bride and groom, we received countless compliments from guests regarding the food, the service, the Sandalwood Ballroom and The Marigold itself. We found the wait staff, bartenders and the rest of the staff outstanding. The bridal attendant was so mindful of our daughter's needs. The staff regularly checked in with us to ensure that the evening was proceeding as planned and to offer their assistance if needed. The maitre d', Marcella, was the best!!! She took care of so many of the details which allowed us to enjoy the evening. Our new son-in-law summed up the evening best, "Perfect".

My husband and I are extremely happy with our Marigold decision. The place is absolutely gorgeous and the food was delicious, from the Hors d'Oeuvres to the dinner. We selected the salmon and the filet mignon, which was cooked to perfection. The cake was stunning and it was exactly what I imagined it would look like. It tasted soooo good. Lisa is amazing and she was there from start to finish. She made us feel comfortable and made sure everything was perfect. Through this pandemic she took a lot of worries and stress away from me. She responded right away and was always available even when she wasn't working to answer any of our questions. I wouldn't have made it through the day without her. Marcela waited on us hand and foot from the moment I stepped foot into the building until I left. She made sure she was by my side. The staff is wonderful! The Marigold gave us a memorable wedding day! - Tiffany and Ben, April 2021

The Marigold was the best wedding venue in Somerset County. I had attended a few weddings here earlier and was impressed by it. When it came to hosting my daughter's wedding, Marigold stood out on the top. Marigold management and staff became an extension of our family throughout the wedding planning process, days leading up to and on the day of the wedding. Their advice was very valuable and helped us with executing our plans. They were very prompt and yet flexible with us as needed. Especially during COVID, we were not sure how things would work out. But, they calmed us and assured us that every effort would be made to make it a beautiful event and it did! The bride, groom, wedding party and all the guests had only positive feedback about the venue and access to various locations for photo shoots. We are so glad we chose Marigold for my daughter's wedding.

Very beautiful venue close to home! Lisa and her staff were amazing from start to finish. First before we decided on the Marigold (nobody we knew had ever tried it before), meeting Lisa and having her show us the venue was a pleasure. The place is gorgeous, spacious, and she never pressured us to make a decision. All the time leading up to the wedding Lisa was always available for any questions. The week before the wedding when we went to finalize the details, we had way less people than we planned for. Not a problem for Lisa - she came up with a solution that would not leave us paying for empty seats! We were amazed and very grateful. On the wedding day the staff was nothing short of stellar. They helped us in setting up the room - from setting up centerpieces to lighting candles. They were very flexible throughout the night when we decided to extend cocktail hour, were wishy washy on whether or not we wanted to take pictures with each table and when we were deciding on when to do the cake presentation. Angie was a rockstar!! From helping my wife with her wedding dress, to snagging the last piece of cake for me, to always being within an earshot to get us whatever we needed - she was simply awesome! Mario and Chang were also very helpful. The bridal suite

was very chic and spacious. There was never a shortage of drinks - soft drinks, water, champagne - whatever we needed was there. They also brought up some appetizers from the cocktail hour as we were getting ready. The night went smoothly and all of our guests were very happy. At the end of the night, the staff helped us gather our things from the bridal suite, brought them downstairs for us, and helped us load the car. After they had closed and locked the doors, me and my wife were standing outside chatting with some guests. One of the staff asked us if we wanted some water - she unlocked the doors and went back inside to get us each a bottle of cold water! Simply top notch service from start to finish. Very impressed with this place and will recommend to all family and friends.

My husband and I's wedding was this past December 2019, which was held at the Marigold. From the planning to our wedding day. This day couldn't have been more perfect! Such an Amazing Modern Venue that is conveniently so close to home. Lisa and all the staff at The Marigold were AMAZING! Very helpful! The food was great. We are 100 % satisfied with the service we received from The Marigold and staff and highly recommend them.

A lovely venue tucked away in an unassuming neighborhood in the heart of central Jersey. My husband and I held our wedding reception here in October 2019 and had a wonderful experience. Lisa was lovely to work with throughout the planning process, always available to answer questions and even helping us work through some tricky last minute changes. The venue itself is gorgeous with both indoor and outdoor settings for guests to enjoy and pictures to be taken. I especially appreciated that there are separate spaces for cocktail hour and dinner. My guests raved about the food, especially the generous cocktail hour treats. The whole staff are incredibly professional and attentive and made the whole evening run so smoothly. And for this level of service and amenity, you can't beat the price! I would highly recommend The Marigold for your next event, wedding or otherwise.

We recently had our wedding at the Marigold on October 19th and it was truly unforgettable. The Marigold had a beautiful outdoor gazebo for our ceremony, a wonderful glass cocktail hour area with seating inside and outside for guests, and the reception hall had built in lighting as well as projectors that made this venue such a hit. Big thank you to the Marigold and their team for making our wedding day so smooth and effortless. I highly recommend this venue as they are truly accommodating to anything you need!

We had our wedding at the Marigold, the Sandalwood room on September 28th 2019, and it exceeded our expectations. Lisa was amazing, and everyone did great work there. The reception room was set to just as I had imagined and looked perfect. There was another event that day, but we couldn't even notice the noise. Everything was on cue. The maitre d was there whenever I needed her. The only thing if I had to pick something out was the cocktail hour room lighting was not set to the right color, and I needed to get that fixed. I am a person that it's hard to make me happy and I am picky,

but honestly everything really turned out to what I had imagined it to look like. They also gave double steak and a huge Venetian display. The dance floor was spotless. We also got the spotlight, which is extra but is worth it. I would recommend the Marigold for a wedding.

We worked with Lisa when choosing this venue and through the whole planning process, and she always made sure we had all the information needed so we understood what was happening and when. From choosing the menu to the decor and details even down to the type of tables we wanted she was incredibly helpful through it all. The night of the wedding we had exceptional service! We always had enough to eat and drink, and were always asked if there was anything else we needed. The food during the cocktail hour was both abundant and delicious! Our main dish and accompanying dishes were just as generous and delicious as well! The employees were on top of every dish, drink and/or dessert that was coming out, and made sure everyone was served accordingly. Overall a very classy presentation and great service from all involved at the Marigold!

I couldn't have been happier with my experience with all the staff at The Marigold! Lisa, especially, made our experience amazing. She was there for us whenever we needed and made sure we felt comfortable throughout the whole process! All of the staff the day of the wedding including but not limited to Lisa, Marcella, and Juli were soooo accommodating! The food at the Marigold was better than we remember from the taste testing! All of our guests were so happy with the experience and food. I would recommend this venue to ANYONE! Thank you to everyone at the Marigold for everything you have done for a day we will remember forever!

We had our wedding at the Marigold last week and I cannot express enough how impressed I was with the venue, the staff, and the entire overall experience. Lisa did an amazing job orchestrating the event. The maître d's, Chang and Marcella were absolutely incredible and made sure everything ran smoothly. Even the waiters and waitresses were fantastic and so astute to everyone's needs. There was one lovely lady in particular, Angie, who somehow always knew what I needed and was always there! I received so many compliments from our guests on how great the staff was. I have been to many weddings and parties and have never witnessed such a fantastic team as I did at my own wedding. I highly, highly, highly recommend booking your event at the Marigold. You will not be disappointed!
