Lightwave is a new kind of event vendor. We're more than one thing and, when it comes to your creative needs, we can do it all. We're award-winning, seasoned industry professionals who have been part of the event and wedding community for over 15 years.

OUR PAST CLIENTS INCLUDE:

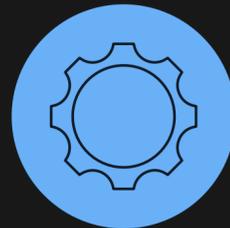

**Our Services include** Photography, Videography, Live Music, DJ, Lighting, Photobooth, and other services **for** Weddings, Corporate Events, Parties, and more. **We operate across the USA, Canada, Europe, and travel around the world.**

# What sets Lightwave apart?

Our artists are Photographers, Videographers, Musicians, and Producers who have contributed to the success of thousands of private events. We know what it takes to throw an amazing party, we love working together, and we know that booking your event artists in one place makes life a lot easier.

## **Bespoke to You.**

We offer customizable Photography, Videography, Music, and Lighting Services. Choose your base package and combine it with any number of services and add-ons.

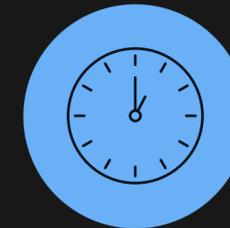

## **Event Dashboard.**

When you book with Lightwave, you'll have access to our online planning system that allows for flexible event updates, smooth communication, online payment options, and more. Planning an event has never been easier.

## **Full Services Scope.**

It's simple. Packaging your event vendors makes planning less time consuming and more affordable.

## **Always Available.**

Our unique network of artists means we're always available for your event – even at the last minute.

# Photography & Videography

Your event doesn't fit into a standard package.

Neither should your vendors.

Lightwave Photography and Videography is completely customizable to your needs and style. We make it easy to capture your most precious moments by matching you with the perfect team based on your event, vision, and budget. Choose your base investment and add extras from there to create a bespoke experience. Get in touch with us for a personal consultation!

**Every event is unique.** With our tiered packages and a variety of optional Add-Ons, you'll get all your must haves without paying for the things you don't need.
