# FAQ'S

## FREQUENTLY ASKED QUESTIONS

You will receive your photos via a private online gallery where you will be able to favorite, download, and share your images at both web resolution, and high resolution. You can also order prints or albums.

The number of images in your online gallery depends on the wedding collection you select. A good rule of thumb is to expect about 75 images per hour of coverage.

Yes, you will have printing rights to the edited images you receive. You can also order prints through me, and I can help make this process easier for you!

# TESTIMONIALS

Jessica was so helpful every step of the way! I'm not one to have envisioned my wedding since I was a child, and she was so encouraging and gave all kinds of photo suggestions to make sure our photos would be something we'd love forever! I will not only recommend her for other's weddings, but also use her for other life moments!

Jessica was amazing to work with!! I contacted her kind of last minute and made alot of last minute changes and she still made our day so easy and special. I just got my pictures back and they are absolutely beautiful. She is amazing at what she does. 10/10 recommend!!

*Delaney*

We absolutely LOVED working with Jessica. She was able to capture our night wonderfully. She was able to help with the flow of the day, and deal with a loud energetic bridal party, lol. Although we live in Michigan, we will definitely be having Jessica photograph our life events going forward!
