RENTAL PIECES

We have nearly 100 options for rental pieces including décor items, structures, chairs, tables, backdrops, décor, tents, etc. – we set it all up for you. You can alternatively bring in your own rental pieces and just use our facilities. We do all of this a la carte so that you can customize your own package for your dream wedding.

BAR SERVICE/FOOD SERVICE

We do offer to provide water, sodas, and our own award-winning wine with a wine steward. We also have partners that can come in as part of our packages that provide full bar and cocktail service. We do allow outside beer and alcohol, but not outside wine (we are a winery, after all). We do in-house catering and we also work with many local caterers that are spectacular – or you can bring in your own caterer.

ELEGANT EXTRAS

Do you want to use horse drawn carriages? How about private wine labels just for your weddings? Artists on site? We can make essentially anything happen for you!
