THE Wedding EXPERIENCE

MY PHILOSOPHY | I'm sure your mind is racing with all that needs to be planned. It's all very exciting but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! Our goal as wedding photographers is to make this one aspect of the planning process simple. Photography is more than just images, it's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photographic experience. When our couples feel comfortable and relaxed in front of the camera, that results in genuine, joyful images! When I think back to my wedding day, I remember amazing memories.... but most of the moments I remember really well are the instances that were captured in my pictures. They are priceless to me. Our photographer made us feel so incredibly comfortable and for the first time, I experienced what it feels like to be in front of the camera as a bride. Your wedding day is an experience from beginning to end and your photography is a huge part of that experience..... shouldn't it be fun? and enjoyable? and natural? I think so! My goal is to not only capture memories for my clients, it's to create an experience that they will never forget.

THE PROCESS | One way I ensure that our brides and grooms enjoy the BEST photographic experience possible is through forming a relationship with our couples. We try our best to make sure that all of our couples are the PERFECT fit for us before officially booking. A bride and groom should connect with their photographer, trust their photographer and be EXCITED about the whole process with them! After booking, I love getting to know my clients through an ENGAGEMENT SESSION that helps them warm up to the camera so that they are ready to rock and roll on the wedding day! By the time the wedding day arrives, my clients feel more like friends and that creates a safe and relaxed environment for photography! Now that you know a little bit about my approach to the wedding day, you can continue reading to find more detailed information about THE WEDDING EXPERIENCE!

Random Fact #1:

I WAS A KID ACTRESS! MY GOAL IN LIFE WAS TO WIN AN OSCAR FOR BEST SUPPORTING ACTRESS.

See what our couples are saying...

“Kellianne Jordan was such an amazing photographer to work with! Everything felt so natural with her! Not to mention, the photos are GORGEOUS! So natural and beautiful! Her and Josh make a great team and together were able to take amazing photos that we’ll cherish for a lifetime!”

Emma and Kevin, 2018 Couple

We were so impressed with the quality of our photos for both our engagement shoot and our wedding. Kellianne’s pricing is very competitive but there was definitely no skimping. Our family and friends raved about our photos, and we had tons to choose from. Kellianne was very patient during the album-making process and made sure every detail was looked after. The value of having her husband as a second shooter was evident in our photos as well. Many thanks to Kellianne for capturing our day, we will cherish the images forever!”

Yvonne and Jeremy, 2018 Couple

“I cannot give enough praise to everything Kellianne Jordan did for our wedding! She is so incredible at what she does from ushering people to, making sure everyone is comfortable, and ensuring we are happy throughout the process. Her pictures are incredible, absolutely incredible! Kellianne is exceptional! I cannot praise her enough!”

Camden and Aaron, 2018 Couple

“Kellianne was the best wedding photographer a bride could have!! My husband and I had a fun time taking pictures for the engagement photos and continued laughing with her on the wedding day.”

Valerie and Shawn

“Kelli and Josh did a fantastic job on our wedding. Everything they did was amazing! We had a great time!! Our photos look ABSOLUTELY BEAUTIFUL and BREATH-TAKING!”

Morgan and Brenen

“Kellianne, you are hands down the best!!! We LOVE our pictures so much! Thank you so much for doing such a FANTASTIC job, for making us happy during all the picture taking and for getting them back to us so fast. We LOVE them! Thank you, thank you, thank you!!!”

Ashely and Erin

“Gosh, what a wonderful time we had at our wedding and Kellianne Jordan Photography was a big part of that! We had the good fortune to have Kellianne herself and she was a joy to work with. Her pictures came out absolutely wonderful. She was responsive to photos we wanted to take and offered suggestions on how to improve our ideas and added a few of her favorites too! She did an amazing job of working with the wedding party, our timelines, and she managed to take phenomenal photos whilst giving room for everyone else to work. I would highly recommend!”

Gregory and Jamie

“I absolutely loved working with Kellianne and her husband! They are amazing, talented people and have helped make my engagement and wedding into beautiful, everlasting memories.”

Brooke and Brandon

“Kellianne was amazing! She was so organized with our wedding party and families as well as extremely patient. We had a few type A personalities in our group and she handled them with grace and humor. She was so lovely to be around and helped move things along because we didn’t have a wedding coordinator. I would recommend Kellianne to every newly engaged couple!”

MORE ABOUT THIS!

THE *Wedding* EXPERIENCE

We understand that some couples just want to be married now! We love that. We want to make sure that your wedding is as memorable as possible. We love when our brides wear wedding gowns and include details like flowers and a champagne toast. Typically for elopements we will try to do a first look to give you a special moment together seeing each other for the first time. We also love when our couples put together a table for after the ceremony to have some time enjoying a nice meal together. We consider an intimate wedding to be an elopement when there are 10 guests or less. If this sounds like the perfect way for you two to unite in marriage then make sure to capture it from every angle with 2 photographers. We are happy to be your witnesses too!

THE WEDDING EXPERIENCE

ENGAGEMENTS:

We are more than willing to travel for engagement sessions! We actually love it when our couples ask us to photograph them in a location that means something special to them! We book engagement sessions at least two months in advance and 30 miles of travel are included.

DIGITAL FILES:

We average 100 finished images per hour that we're shooting. We edit down your images to provide you with the best memories possible from your day. We love delivering our client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want. We believe in freely sharing our work because that is what we would want if we were in your shoes!

COVERAGE:

We are often asked if 8 hours is enough time to capture the full wedding story and the answer is yes! Our main goal right now is securing and saving your date. You can always add additional coverage as we get closer to the big day once we have a good idea of your timeline.

OUR SHOOTING STYLE:

We love being both interactive and discreet throughout the wedding day. We love to stand back and capture beautiful candid moments filled with genuine emotion, but there will be parts of the wedding day when I will need to give direction in order to capture the full story while staying on schedule. There will also be moments when you shouldn't even know that we're there. (The ceremony, during dances and toasts, etc.) We teach our couples how to pose, model and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

BOOKING:

Once I have answered any questions you may have and you have decided that our Wedding Experience is exactly what you're looking for on your wedding day, the next step is a booking proposal. I will create an online proposal that will walk you through the package and when you're ready you can save your date by signing your contract and paying your deposit online.

Thank You

I'm so glad you contacted me! Enjoy this season of engagement and get excited about your BIG DAY because it's going to be fabulous! Plan and prepare but always remember that at the end of the day, you're marrying the love of your life and that's all that really matters. Congratulations on your engagement and I look forward to hearing from you! Be sure to visit the BLOG to view my most recent weddings!

Love, Kellianne
