“Our experience could not have been better. Planning a wedding during COVID was not easy. Joe worked with us as we worked through our many different options on what to do with the wedding. He was flexible, provided options and was a true partner through this experience... Joe doesn’t miss a beat and put all of our special moments together in a video that we will cherish forever.”

HELLO, NEW FRIENDS!

IT'S SO NICE TO MEET YOU

## I AM JOE

I love meeting new couples and learning about their love story! Your love story is something special to be treasured. Like any treasure it needs to be entrusted to the right person you find most reliable and dependable. I aspire to be that person for you

My desire is for you to be able to relive your wedding day whenever you want. Everyone remembers the most significant parts of their

special day that stands out to them, but after time passes those memories begin to fade. My goal is for you to enjoy your wedding film experience better than you remember. I do this by capturing the special moments: the reactions, the laughs and tears of the special people in your life. Then I combine them with your authentic love story to create a wedding film you will reminisce for years to come.

WORKING WITH JOE  
FEELS LIKE:

## **A CELEBRATION**

When we celebrate we are happy, healthy and comfortable! That is exactly what I want you to feel when working with me as your wedding videographer. I am here to help you enjoy your wedding experience!

## **TRUE JOY**

Joy is defined as “a feeling of great pleasure and happiness.” I want you to be constantly experiencing this when working with me through the wedding planning, wedding day and beyond!

## **LIKE BEING WITH OLD FRIENDS**

There is a relaxing level of comfort when hanging out with old friends. That special level of trust and respect of knowing you're in good company. My goal is for you to be free from stress or fear and to enjoy being yourself.

“It was a pleasure working with Joe and my wife and I couldn’t be happier with the video and additional footage that he captured on our Wedding Day. We had a special surprise gender reveal for our baby and he captured it perfectly. It looked like we just won the Super Bowl. Thank you Joe for everything!!! ”

“Our favorite part of you being our videographer was your above and beyond customer service, patience, demeanor, and professionalism. We truly cannot pick just one thing. You stood strong on standby for us as our wedding was threatened by wildfire and had the patience and understanding to wait until THE DAY BEFORE to get a finalized location. Truly so thankful for your calm, cheery, and helpful demeanor as you helped take unnecessary stress off of us.”

“Joe was so easy to work with and made the entire wedding party feel at ease. He blended into the background of the wedding but was able to capture all of our special moments. And he got along well with the photographer and other staff. He delivered a high-quality video very fast after the wedding.”

# *Frequent Questions*

## WHEN SHOULD I HIRE A FILMMAKER?

I take bookings up to 24 months ahead of time for weddings. Most of my bookings are between 10-15 months before the wedding, but I have booked weddings with as little as 1 month before the big day. I say if you know you love my films, book me today.

## WHERE ARE YOU LOCATED?

I am located in Boise, Idaho and Camino, California. If you're within 25-miles of these areas, travel is free.

## DO YOU CHARGE EXTRA FOR TRAVEL?

Only if my round trip is over 50-miles. I charge 65.5 cents/mile when driving to and from the wedding venue.

If I am going out of state/country/out of area then additional expenses like flight, hotel, etc. will be added and discussed with you ahead of time.

## HOW MUCH IS THE RESERVATION FEE?

It is 50% of the total balance of your selections from the wedding collection and add-ons.

## HOW DO I RESERVE YOU TODAY?

I don't book any couples until I have had the chance to at least have a phone call. I have been doing this too long to make that mistake again. I want to see if we are a good fit. So to reserve me, we do a simple 10-15 minute call, and then I have a reservation fee that goes toward the final balance to hold your day!

## WHAT DOES THE "REHEARSAL DINNER FILM" INCLUDE?

This is a great option if you have fun things planned for your Rehearsal Dinner that you want captured! This supplies 2-hours of filming at the dinner and the film features the most important parts of the night!

## WHAT IS THE "PLAYBOOK VIDEO PLAYER"?

It looks like a photo album and when you open it up it plays your wedding video. Perfect for your coffee table!

## WHAT IS THE "FOMO EDIT"?

The Fear Of Missing Out (FOMO) Edit includes all of the footage from the main events of your wedding day such as the Ceremony, Toasts, Cake Cutting, 1st Dances, Tosses and any other special events you may have planned!

## WHAT IS THE "ADVENTURE PORTRAIT SESSION"?

It is like an Engagement Photo Session but instead of photos we travel around to some cool outdoor adventurous spots and take video. Or we could revisit some special spots like the first place you met and went on a date. These are just some ideas to help tell your authentic love story. This can be a stand alone video to throw up on your wedding website, or it could be extra footage to put into your wedding video.

## WHAT DO YOU CAPTURE WITH THE DRONE?

I capture the venue and surrounding area with the drone (weather, airspace and venue permitting).

## DO I NEED AN ADDITIONAL VIDEOGRAPHER?

It depends on what you want captured. If the bride and groom are getting ready at the same time. I can only be in one place at a time. Having an extra person helps ensure special moments are not missed.

## WHAT DOES "EXTRA HOURS EA." MEAN?

It means extra hours you want me to film on top of what is included in your selected Wedding Collection.

## WHAT DOES "EXTRA MINUTES EA." MEAN?

It means extra minutes you want added to your Wedding Highlight Film.

“We would highly recommend Joe. We appreciated how knowledgeable he was and professional. He has a system in place and knows what he is doing and it shows during the planning, execution and delivery. You don’t need to look anywhere else. If you are thinking about hiring a videographer, look no further. Joe is your guy!”
