KIND WORDS FROM OUR COUPLES

# Testimonials

"**Absolutely WONDERFUL from the start.** We don't live on the island so we were planning from afar. He gave us recommendations, ideas, and option and was always there to respond quickly. **The process was so fun and easy.** This made it stress free! Then, on the wedding day **we were blown away!** Our guests stayed on the dance floor until the night ended. Everyone was telling me what a BLAST they had! He even let me get behind the DJ booth which was hilarious and a blast for me! We can never thank you enough for being a huge part of our perfect day!"

*Sammie & Mason*

"We don't even know where to start, except by saying **THANK YOU, THANK YOU, THANK YOU!!!!** You SAVED OUR DAY, COUNTLESS TIMES! I think sometimes people don't realize the importance of your MC and DJ and what a HUGE role they play in the wedding day, and I am here to tell them THIS IS AN INVESTMENT YOU WANT TO MAKE. **THE BEST OUT THERE!!!**"

*Fatima*

"Frobaby Productions was the best DJ (team) that we could have asked for . . . **kept the party alive** and well taking our vision, vibe, and sound we wanted hitting the ground running! **We received so many compliments throughout the night.** Thank you Frobaby! Simply amazing!"

*Ly*

"Couldn't Have Been Better! Two words... CO2 CANNON! If you don't know...hire (them) and you'll find out ;) **Our DJ was absolutely amazing!** . . . I cannot tell you how many compliments I received on how fun my wedding was! There was **never a moment where the dance floor was empty.** Thank you so much for everything!"

*Nicole*

"**The party of the year!** A few family members went rogue and asked for a few classic Aussie songs. He managed to find those songs, **kept the party going the whole night** and **everyone was always on the dance floor.** He set the mood, the tone and was a wonderful MC. Our wedding went off without a hitch and he worked so well with all my other vendors. We planned this from far away and never actually met him in person until the day of and felt like we knew him for ages. He also provided uplighting which gave our venue that extra touch. **You won't regret hiring Frobaby Productions and worth every penny."**

*Michelle & Matt*

# YOU'LL KNOW **THE VIBE WILL BE PERFECT** WITH OUR **SONG PRE-REQUEST APP**

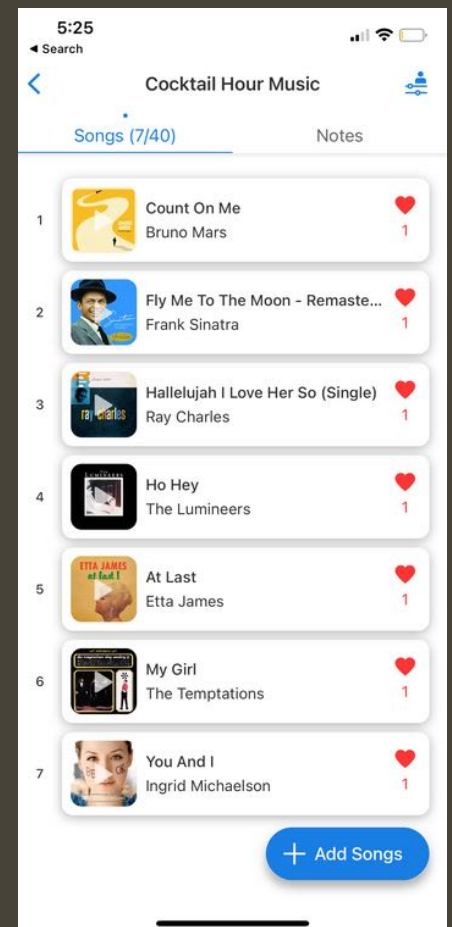

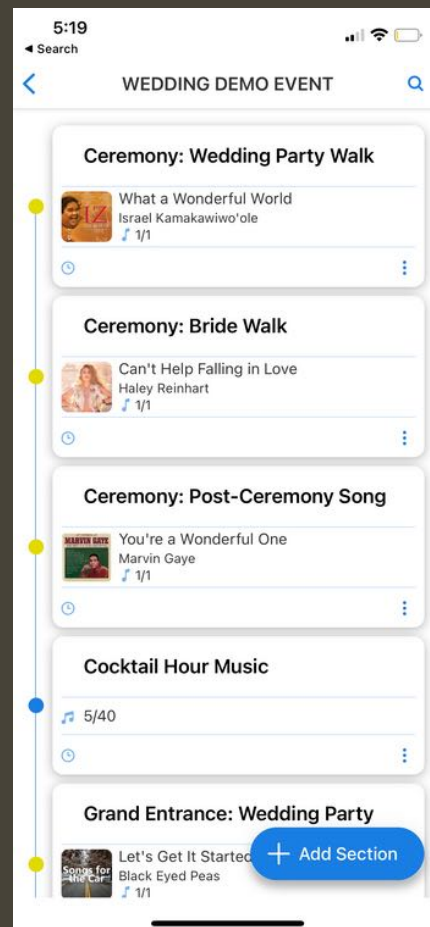

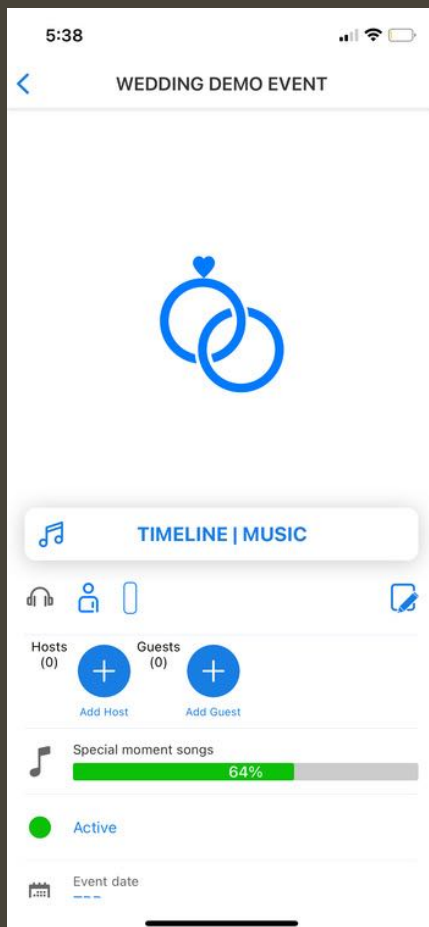

**Pre-request the songs that are important to you ahead of time with our phone app!**

The app uses YouTube as the "search engine" for music, however, this is only for reference. We use high quality music files that we purchase. You can also import Spotify playlists!

**Invite your fiance' or others** to pre-request songs for your celebration or make all of the requests yourself.

**Request specific songs** for each timeline section of your wedding: first dance, cocktail hour, dinner, dancing, etc.

**"Like" songs** that are most important to you, or tag certain songs as **"Must Play"** or **"Do Not Play."** You choose.

## WHAT IS YOUR APPROACH TO MC WORK?

### MINIMAL & RELAXED

Our approach to MC work is to keep it minimal and relaxed. **We typically do an energetic grand entrance, then simply keep your guests informed of what is to come on the timeline, who will be offering toasts, when the bar is open, last call, etc.**

MC work is **usually done by the DJ**. He or she will not be telling bad jokes, annoying guests, nor stealing attention from your special day.

If you prefer a dedicated full-service comedic or entertainment focused MC, let us know and we can provide some options.

## HOW MANY PEOPLE FROM YOUR TEAM ARE ON-SITE?

### DJ + DJ ASSISTANT

For most events, we work in teams of two team members: The DJ & DJ Assistant. This helps with **speedier setup before and after the event**, as well as support during the reception.

Our assistant also **helps the DJ communicate with other vendors** during the celebration. For example, the DJ assistant may go check in with the photographer to confirm that they are ready to take photos before we start the first dance, or that the cake is ready to be cut before making the announcement.

A DJ assistant also helps ensure that there are **no periods of silence without music** in the event that the main DJ needs to excuse himself momentarily.

The assistant cleans up the ceremony sound system so the DJ can quickly move to the main reception area to get the cocktail hour music started on time.

**Our assistants dress professionally in black and stay with the DJ throughout the event.**

# DANCE FLOOR LIGHTS

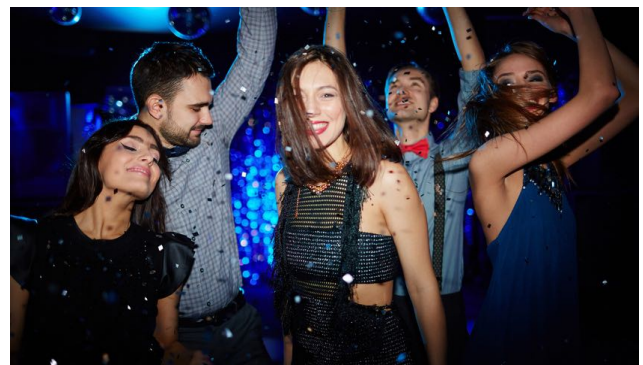

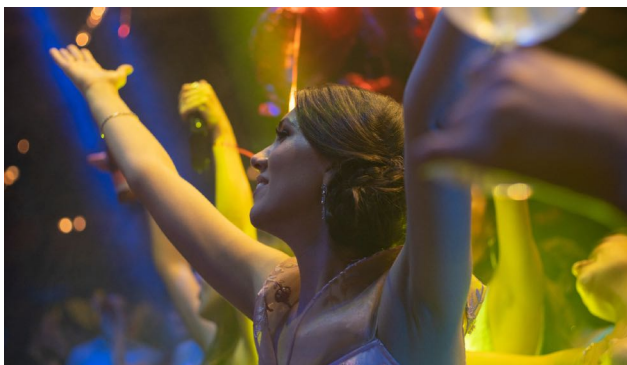

## BASIC LIGHTING

Our basic lighting is a classy solid color changing wash on the dance floor. It brings great energy and is controlled from the DJ booth.

## PREMIUM LIGHTING

Premium lighting incorporates multiple fixtures such as light bars, lasers, color streaks, etc. We will work with you on the best fit for your vision & vibe.

**DO SOMETHING  
TOTALLY DIFFERENT!**

**Frobaby™**  
WEDDING & EVENT DJ TEAM

**AMAZING  
EFFECT FOR  
FIRST DANCE &  
MORE!**

# SPARKLER FOUNTAINS

Indoors or outdoors! Also known as "cold sparks," this amazing effect ignites at a COLD 60-degrees. AMAZING for grand entrances, first dance, and fun energy on the dance floor! We use safe professional grade spark machines. (No cheap, mis-firing knock-offs.) Sparks can run for about 10 minutes total for about 30 seconds at a time. Available venue-permitting. Yes, they're worth it!

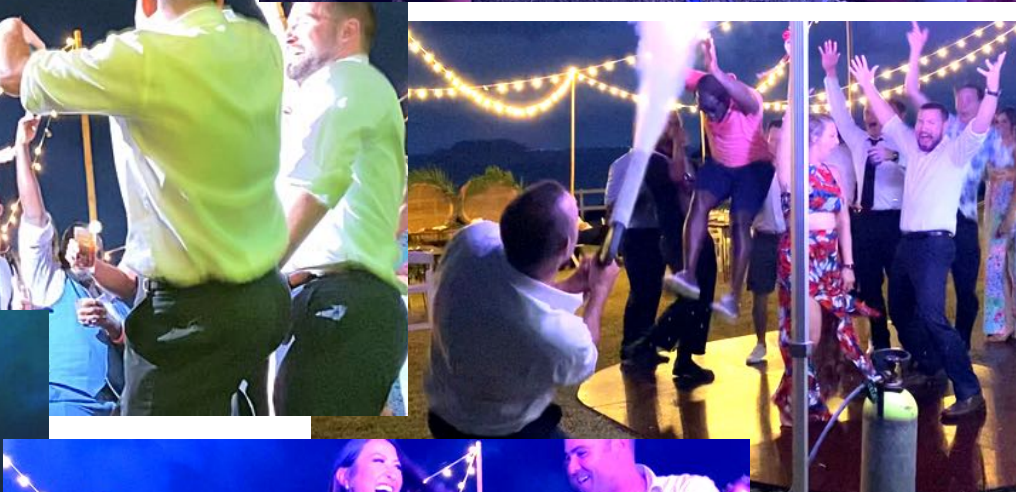

BRING CLUB-STYLE ENERGY TO YOUR WEDDING

# **HANDHELD CO<sup>2</sup> CANNON**

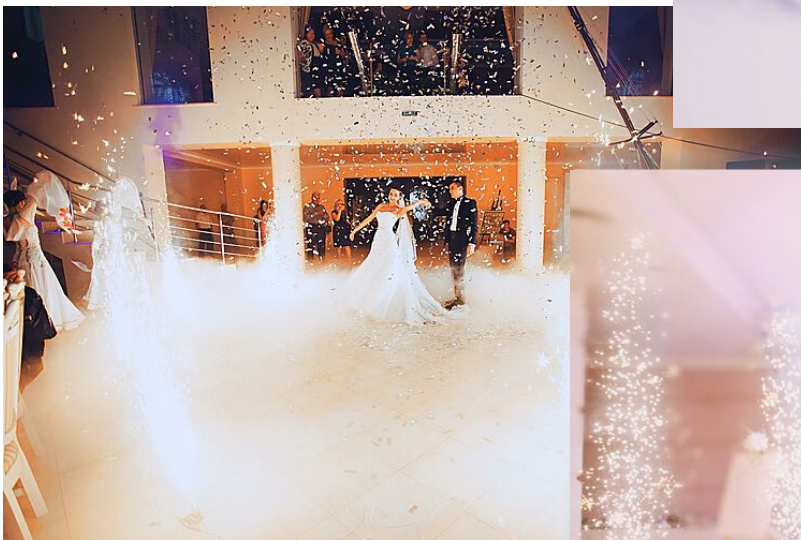

Raise the roof with our CO<sub>2</sub> Cannon! Blast the dance floor with cool plumes of carbon dioxide for amazing hype on the dance floor. We typically put this in the hands of the bride at just the right time. Can we do his-and-her cannons? Yes.

## DANCING ON A CLOUD

You will love to dance on a cloud for your first dance! Super elegant and very romantic. Wow your guests with this low lying cloud effect. It does not set off fire alarms. Our specialized equipment uses hot water and dry ice to create this beautiful effect. Indoor or outdoors. The "cloud" is cold carbon dioxide, which is why it stays low to the ground, then cleanly dissipates.

Combine with  
**Sparkler Fountains** for  
**HUGE wow factor!**

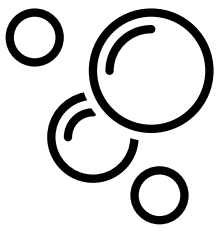

# Smoke Machines

Non-toxic water-based "smoke" add so much fun to a dance floor! We can set it off periodically all night. We'll wait for just the right moment when the bass drops on a song, then "boom!" We hit the dance floor with some smoke to make them go crazy! Unlimited water vapor smoke all night long. Outdoor only.

WEDDING & EVENT DJ TEAM

**EVERYBODY  
LOVES BUBBLES,  
ESPECIALLY AT  
WEDDINGS**

# **WHITE BUBBLES**

## **OR CLEAR BUBBLES**

White Bubbles are premier quality clear bubbles filled with a white water-based haze that makes them glow in the light and let out a magical puff of "smoke" when they are popped with your hand or when they hit the ground. Non-toxic. Best outdoors, but can be used intermittently indoors venue permitting. Super fun for entrances, first dances, send-offs, and on the dance floor!

Highlight a wall, the dance floor, entry area, ceilings, inside roof of a tent, and more. We can project anywhere that there is space to discretely place our projection equipment.

**TAKE LIGHTING  
TO THE HIGHEST  
LEVEL WITH  
GLOW TOWERS**

# SPOTLIGHTS & GLOW TOWERS

A PERFECT WAY TO UPGRADE THE ROOM

Glow towers have moving spotlights on top that can shine white or colored light. Towers can be covered with contemporary smooth fabric, elegant ruffled fabric, or left bare for a more club style look. They are illuminated on the inside and can be programmed to match the colors of room uplights. They can also color change when it's time to party! We have 4' and 6' towers that can be used in groups of 2 or 4. They can also be programmed to be used as spotlights or "search lights" for grand entrances and other key moments of any celebration. With venues that allow "haze", light rays can pierce through for a cool effect!!

WEDDING & EVENT DJ TEAM

# Silent Disco

For Weddings!

YOU AND YOUR GUESTS ARE  
GOING TO LOVE THIS!

**Each guest is offered a fresh pair of headphones to party to what the LIVE DJ is playing. On the outside, it's quiet, but parties can turn up the headphones as loud as they want!!!**

**LIVE DJ, PLUS UP TO 2 PRE-MADE "STATIONS" FOR GUEST TO TUNE IN TO**

WHY WOULD SILENT DISCO BE A GREAT OPTION FOR YOU?

## SILENT DISCO IS SUPER FUN!

Silent Disco is not a last resort option. It's SUPER FUN! In fact there are clubs without noise restrictions that throw "silent" disco parties because of how awesome it is!

Do something different for your wedding and have a raging Silent Disco party that they'll be talking about for years to come!

## VENUES OR BACKYARDS WITH NOISE RESTRICTIONS

Want to throw a party at home or at a vacation rental but don't want to disturb the neighbors?

Or, are you having a wedding at a venue that has noise restrictions?

Silent Disco is the perfect solution for a rocking wedding celebration!

## CHOOSE YOUR CHANNEL

Your guests can choose their channel!

In addition to the Live DJ, we can also add two channels of pre-made playlists for your guests to enjoy.

While the dance floor is rocking, the old folks could be slow dancing to 60's love ballads.

# DJ FURNITURE

YEAH, IT'S TOTALLY WORTH IT!

1.

**The DJ booth is a secondary focal point** simply because it's the source of music & MC sound. It's gotta' look good!

*Why?*

2.

Your guests will love to **see the DJ mixing and scratching!**

Some booths are designed to be open to guests' view.

No "Wizard of Oz" DJs hiding in the booth with an iPod.

3.

You put creative and careful effort into creating a beautiful setting for your wedding. The DJ booth should compliment your decor!

## ALL ABOUT OUR *Fresh Company*

**Frobaby Productions has been rocking weddings, high-end balls, and corporate events for years. Our specialty is definitely WEDDINGS, especially destination weddings! We are a relaxed, professional, fun, boutique company with awesome DJ talent, high end equipment, and professionalism.**

### MEET THE FOUNDER

DJ Nate Burgoyne DJ'd his first party over 25 years ago in the loft of barn with his friend's turntable, a tape deck, and a CD player. He lives on the North Shore of Oahu, is a spicy food lover, surfer, ultra-runner, and does all he can to live life to the fullest and help others do the same! He was born in Hawaii has also lived in UT, CA, CO, AZ, NJ, NY, IL, CT, Spain, UK, and Taiwan.

### WHERE DID THE FROBABY NAME COME FROM?

Story time! While Nate was living in Taiwan, there was this street food cart decorated with a big picture of a baby with a super cool afro. The 'frobaby' cart always caused smiles. When Nate decided to launch his DJ business, it was important to him that the company name be something fun and meaningful. And so, Frobaby Productions wedding and event DJ team was born.

# FREQUENTLY ASKED *questions*

## **Do you offer discounts?**

We love what we do and we are really good at it! For the benefit of our awesome couples, we don't discount our core services. We know what we are worth and would be doing our couples a disservice to arrive thinking, "Time for another discount wedding." We want to arrive every time thinking, "Yeah baby!!! This is gonna' be the best freakin' wedding ever! Let's crush it!"

## **Do you offer weekday specials?**

We deliver the same amazing service to our couples whether they are on a weekday or weekend! Sometimes we can bundle in an upgrade for a weekday wedding but for the same reason above, we don't discount weekday weddings.

## **What is your cancellation/re-booking policy?**

We are flexible and easy to work with. The deposit (usually just \$250) is not refundable but will be credited toward the final balance of a new date.

## **Can we choose our DJ?**

Yes. You can select your DJ, subject to availability. Some DJs may require an additional talent fee.

## **Can we choose our songs?**

YES!!! You will be given access to our song pre-request app, and you'll work directly with your DJ in the months and weeks leading up to your wedding celebration. We'll nail it for you!!!

## **Do you take requests?**

Yes, with discretion. If it's coming from the bride or groom, of course. If it's coming from drunk Aunt Dotty and doesn't fit your vibe, we'll find a way to keep her happy and not play the song.
