2021 WEDDING PHOTOGRAPHY COLLECTIONS

WELCOME

GET TO KNOW THE PHOTOGRAPHERS

We so excited that you are interested in choosing us to document your wedding! We believe in real moments and chasing sunsets. In the kinds of images that remind you of the joy that can be found in the simplest of moments together. We believe in images that are itching to be printed, placed in beautiful frames and hung on walls for years to come.

We're the kind of gals who love to have "business meetings" over margaritas and constantly obsess over that gorgeous golden hour. Our adventure began two years ago. We're married to brothers! So all the life events usually involve each other, and we figured "why not?" Let's take our individual photography businesses and make a family business! We've been having a blast together ever since, and we'd love you to join our fam!

WHAT TO EXPECT

LET'S CONNECT

We want to hear everything—how you met, funny first date stories, and how y'all got engaged.

We'll get to know one another, talk about the details of your day, answer any questions you might have about working with us and figure out if we're a good match!

ENGAGEMENT SESSIONS

Most of our collections include a complimentary engagement session. It takes time for most couples to warm up to being photographed and understand how we pose. Timelines can be pretty tight on wedding days and 30 minutes may be all we have for portraits - which is why we've found that wedding day portraits turn out so much better when couples do engagement sessions ahead of time.

Sessions also allow you to showcase your personalities in a more casual setting that is significant to the two of you (and even include pets!) While they're great for save-the-dates, we've taken engagement photos anywhere from 18 months in advance to a few weeks before the wedding.

ALBUMS

One of the best ways to make your wedding memories last is by ordering an album. These high quality professionally designed albums come in a variety of linen & leather colors. These aren't the same albums your parents wedding photos came in. They're modern, lay perfectly flat and look incredible on coffee tables.

Album pricing starts from \$105, and you can reach out to us directly for more details. They typically take between 4 to 6 weeks to complete and include two rounds of revisions. Albums may be ordered anytime before or after the wedding day.
