

Abby-Grayce's View

I am so glad you're here.

My name is Abby-Grayce Hall and I am beyond excited that you chose to connect with me for the sweet moments in your life that are worth remembering forever. It's important that we are a good fit, so allow me to share a little bit about myself.

I fell into photography by the goodness grace of God. In my sophomore year of high school I won a stem (science, technology, engineering, and math) contest. With the prize money, I decided to buy a camera for fun. Little did I know that God would use that interest to shape the future of my life. Ever since, I have fallen in love with photography. The excitement it gives me while I'm able to meet new people, be there with them through their life's precious moments, witnessing the tender love exude from couples while sharing their first time as husband + wife, all the little bitty in-between moments of this job is so rewarding and fulfilling.

I've always been a creative and detailed oriented person. With that, I love to plan, location scout, and dream, so that I can bring my clients excellence, during their time. Thank you for getting to know a little about me. I cannot wait to get to know you, so that I can capture photos that represent you well!

CHEYANNE

"Abby was so kind from the moment I met her and made me feel like my vision was her vision as well. She met with her before our wedding to go over details & make sure we were on the same page which I'm a planner so I absolutely loved. The day of our wedding couldn't have been more magical & she did an amazing job capturing the love & fun within the day. I recommend her to anyone who asks me who did our pictures. She also worked really well with our videographers & had amazing communication with them throughout the day. She had our sneak peek turned around within 48 hours of our wedding which was very unexpected but just another thing I loved about her so we could share our day with those who couldn't make it".

FAQ'S

1. When will I receive my photos?

I always love to send sneak peaks after weddings and sessions. Delivery time for sessions is around 2-4 weeks and for weddings is around 3-6 weeks

2. How do I pay the deposit and full payment?

If you picked a wedding package that includes a complimentary engagement session, then 25% of the deposit is due the day of the session and the rest is due on your wedding day. For other packages, 25% is due the day of booking, then the rest is due the day of the shoot/wedding

3. Will there be an opportunity to order prints?

You will have an online print shop attached to your gallery where you can purchase prints separately. I also have an option where I create a custom album for an additional \$250.

Let's do this.

Reminder that this is an investment.

I am beyond excited to hear about everything you've been dreaming up and I cannot wait to turn those dreams into a reality! Just let me know which package you are interested in and if you have any questions! I would love to meet up for a coffee date or chat over email and answer every question you might have! Now let's get to dreaming!
