WELCOME GUIDE 2023 - 2024

# CLIENT LOVE

*"Matthew was everything you could hope for in a photographer; he was organized, easy to get a hold of, calm in the chaos, energetic, and overall fun to have around. He checked in with us throughout planning to make sure we had everything we needed and had our photos back incredibly quick! Every photo is even better than we had imagined and he even found us a wedding day rainbow! My only regret is not having him there even longer."*

# ENGAGEMENT SESSIONS

Engagement photos not only document how your relationship grows, but they will also be the most used images throughout your wedding journey until you tie the knot. They can be used for engagement party invitations, engagement and wedding announcements, bridal sites, save-the-date cards, wedding invitations, and personalized wedding favors.

An engagement session provides a great opportunity for us, and perhaps your makeup artist, to work together before your wedding day. It gives you a peek at your big day and how we'll work together — think of it as a dry run for your wedding pictorial.

1 Hour Engagement Session	\$300
1.5 Hour Engagement Session	\$500

## Q & A

*Q. Are you insured?*

A. Yes!

*Q. What is your photography style?*

A. My style would be considered Photo Journalistic.

*Q. Do you back up your photos? How?*

A. Yes, I have several cloud and physical backup storage setups.

*Q. Can you hold our wedding date?*

A. Wedding dates are put on hold only once the deposit has been received.

*Q. Do we need to sign a contract?*

A. Yes, but fear not! I'll be signing the same one.

*Q. What happens if you are ill and cannot attend the wedding?*

A. I will be responsible for finding and paying for a replacement.

*Q. What happens if it rains on our wedding day?*

A. Then we take epic rain pictures!!!

*Q. Can I make special photography requests?*

A. Of course you can! This is your day and your memories, let's have fun with it!

*Q. How long will it take to get our photos?*

A. Typical delivery time is 6-8 weeks. Expedited options available upon request.

*Q. What equipment do you use?*

A. I shoot with a dual Sony camera system!

*Q. Can we have pets in our pictures?*

A. I'd be disappointed if we didn't!

*Q. Why is wedding photography so expensive?*

A. There are many reasons up and beyond the hours spent with you on your wedding day; the cost of high-end cameras and professional photography software required, the hours of preparation and research I do leading up to your big day, the post production hours spent editing each photo, and the knowledge and years of experience I bring to the table.

#### **Memorable!**

We absolutely loved working with Matt! After a brief explanation of what we had in mind, he knew exactly how to execute it! He met us in Paris and he knew exactly where to go! He knew the good angles and even a great time of day to shoot! I would definitely work with him again! Thank you for helping us preserve a very memorable moment through your photography!

### *Sarah & Justin*

#### **Gorgeous photos and a fun, knowledgeable photographer!**

Matt is the best! He did our engagement photos and wedding. He is AMAZING! Posing for pictures can definitely feel awkward and uncomfortable. But Matt makes it so much fun and makes sure you are comfortable. He is very responsive, genuine, flexible and really has your best interest at heart. He made our wedding day so special and went above and beyond!! I cannot recommend him enough. He also had so many fun ideas for photos. Not to mention, that if we had an idea for a photo, he was determined to get the shot for us. He is so talented and so worth having apart of your big day!!

### *Laura & Konner*

#### **Fabulous wedding photographer!**

We would highly recommend working with Matthew for your wedding photos. He perfectly captured our farm wedding from candid shots, to the couples sunset photoshoot, to the ceremony photos we have so many pictures to frame! He was punctual, great communicator and fun to have around on the wedding day. So many guests commented on his professionalism and that it looked like he was having fun, too.

# LET'S CHAT!

*I would love the opportunity  
to work with you*

If you like what you've seen, then let's meet up! One of my favorite parts of this job is hearing peoples' stories and how they've come together. I know several great little coffee shops or local cocktail bars we can meet and grab a drink! On the flip side, if your schedules are too busy, we can always chat via a video call. It will give both of us a great opportunity to get to know one another and make sure we're a good fit for your big day.

I look forward to working with you!
