If you are interested in a "Just Show Up" Package, we will be glad to work one up for you. We just need to know what kind of budget you are looking to spend, and we can take it from there. Otherwise, feel free to choose your own wedding vendors, or we have preferred vendors we can refer (good folk that we trust).

We hope to be part of your fabulous day! However, we know you have many options, and want you to pick the place that is best for YOU! So, if you choose to have your wedding at another place, just remember this. On your fabulous, spectacular day - breathe. Breathe again. Then breathe one more time. Stay in the moment and enjoy it all. It will be a whirlwind day. Don't stress out about everything being perfect. You will have family and friends with you, celebrating one of the happiest and most memorable moments of your life. Everything will work out just as it should. Enjoy!

Thanks and Have a Fabulous Day!
